This Undergraduate Awards and Honors is brought to you for free and open access by the The Office of Undergraduate Research at UKnowledge. It has been accepted for inclusion in Kaleidoscope by an authorized editor of UKnowledge. For more information, please contact UKnowledge@lsvaky.edu.
Undergraduate Awards and Honors

Beckman Scholarship

Stephanie Lynn Logsdon  Brandon Michael Sutton

Recipients for 2004-2005. Established in 1987, The Beckman Scholars Program is an invited program for accredited universities and four-year colleges in the US. It provides scholarships that contribute significantly in advancing the education, research training and personal development of select students in chemistry, biochemistry, and the biological and medical sciences. The sustained, in-depth undergraduate research experiences and comprehensive faculty mentoring are unique in terms of program scope, content and level of scholarship awards. ($17,600 each for two summers and one academic year)

NSF Graduate Research Fellowships

John H. “Jack” Challis  Ryan Gabbard

Recipients for 2004. The National Science Foundation (NSF) awards about 900 fellowships in March of each year to the nation’s most promising young mathematicians, scientists, and engineers who show the potential to make significant contributions to research, teaching, and industrial applications in science, mathematics, and engineering. The award carries a stipend of $30,000 for one year and an annual cost-of-education allowance of $10,500. Awards are renewable for up to three years. Jack plans to attend Yale to pursue a doctorate in physics. Ryan will study computer science at the University of Pennsylvania in Philadelphia.

COLLEGE OF AGRICULTURE

Department of Biosystems & AG Engineering

Wanda Jone Lawson  Frank Woeste Award

Monetary award given to the highest achieving Biosystems & AG Engineering Student

Department of Family Studies

Family & Consumer Sciences Education

Amelia C. Brown  Sullivan Award

The Algernon Sydney Sullivan Award is an annual award presented to an undergraduate male and female at graduation in recognition of their community service activities. The Sullivan Awards were established by the New York Southern Society in 1925 in memory of Mr. Algernon Sydney Sullivan, a southerner who became a prominent lawyer, businessman, and philanthropist in New York in the late nineteenth century. The award seeks to perpetuate the excellence of character and humanitarian service of Mr. Sullivan by recognizing and honoring such qualities in others and demonstrating the spirit of love for helpfulness to other men and women through their heart, mind and con-

Department of Architectural Studies

Michael Todd Hughes  Henry Adams Medal of the American Institute of Architects

Each year the American Institute of Architects awards an engraved medal to the top-ranking graduating student in each architecture program accredited by the National Council of Architectural Accrediting Board. First awarded in 1981, the Skidmore, Owings & Merrill Traveling Fellowship programs have become benchmarks for academic and professional excellence. The purpose of the Fellowships is to allow gifted graduates the ability to pursue the knowledge and experiences of the built environment through independent travel.

Department of Aerospace Studies

Cadet Kyle Davis  Distinguished Graduate Award for the Detachment 290 class of 2004

The Distinguished Graduate Award is limited to only one award for every ten commissionees and is recognition for excellence in military training, academic achievement, and leadership.

Department of Merchandising, Apparel, and Textiles

Megan Jeanette Sprigler

Presentation of Paper: “The Portrayal of Women in Advertising between 1957 and 2000.” Paper presentation of content analysis of ads in Vogue magazine to examine how women were being portrayed (agonic roles or hedonic roles) and dressed (feminine or masculine) at the Costume Society of American Region 6 Symposium. Megan is preparing the final stages of her publishable manuscript for submission to the Family and Consumer Sciences Research Journal (FCSRJ).

COLLEGE OF DESIGN

School of Architecture

Students from the School of Architecture

Received a $7,500 Cash Prize from the 2004 National Council of Architectural Registration Boards (NCARB) in Portland, Oregon, June 2004. The UK entry, “The Comprehensive Project: A Practice-based Studio,” was one of only five entries (out of 30) to be awarded a $7,500 cash prize from the NCARB.

Kelly Marie Eldridge  Recipient of the Maurice A. Clay Award

The Maurice Clay award is sponsored by the UK Chapter of Omicron Delta Kappa (ODK) presented to the graduating senior in each UK college and is based on leadership among the student body.

Office of Student Activities, Leadership & Involvement (Student Volunteer Center)

Brandon Fenley  Darrell VanMeter Award
A selfless spirit award. Each year UK recognizes a student for The Darrell VanMeter Award in honor of Darrell A. VanMeter. Darrell, (a sophomore at the time of his death in 1991), was recognized by the University community and his home community for his positive contributions dedicated to serving others. The impact of his “good Samaritan” approach to helping others was apparent to faculty, staff and students alike. He touched the campus community with his selfless heart and continual acts of service.

Office of the Associate Provost for Minority Affairs

Jonathan Beatty  Tracy Bonilla
Cheryl Jones  Kelly Ruff
Anna Gumbs  2003 Spirit Award
This award is dedicated to recognizing students who excel academically and contribute to the quality of student life through exemplary leadership and their achievements and contributions at UK and the greater community.

UK Athletics

Melody Cook  (Rifle)  State Farm Post-Graduate Scholarship
Seth Stanley  (Pitcher)  Scholarships
Recipients of the 2004 State Farm Insurance Post-Graduate Scholarship. Students are recognized not only for their athletic participation, but their academic achievements and their commitment to community service. Each student will receive a $750 postgraduate scholarship to be used toward continuing his or her education in any accredited graduate degree program.
