SEALL BY LAW COMMITTEE REPORT
SPRING MEETING - 1993

As requested by President Ed Edmonds, the committee proposed an addition to the by laws regarding voting eligibility.

To begin its work, a copy of the by laws was requested from the previous chair. An undated copy was provided and clean, clear language was proposed to define voting rights in each category of membership (see attachment).

In order to comply with due notice requirements, the existing and proposed clauses were published in the February issue of the Southeastern Law Librarian over the signature of the secretary.

Although it has since been pointed out that this addition had been made at some earlier date (published in the SEALL directory--also undated), we feel the new language should be adopted--if only as a tidy housekeeping measure.

RECOMMENDATION: After each by law change, the committee chair should prepare a DATED copy of the by laws, incorporating additions/changes, both for the archives and for the officers' procedure manual.
