Hi Cathy,

Thank you for the suggestions. I look forward to working on the committee. I'll contact the other members about getting together at SEAALL. See you in Atlanta.

With SEAALL, it's both complicated and easier because there are smaller chapters within the regional chapter.
> I hope that you will encourage your committee members to do a couple of things. First, Mary Alice Baish, Washington Affairs office, and Keith Stiverson, GRC chair, will be speaking at SEAALL on Friday, 3:45 - 5. It would be great if everyone could go to that program to get some grounding on the issues. I'd encourage people to introduce themselves to Keith and Mary Alice at other times. It's always helpful to put names and faces together.
> AALL is sponsoring a legislative advocacy workshop on Saturday July 21. If anyone is interested, I encourage them to participate. I've been for the last two years and it's helpful to hear how other people have succeeded and some of the behind the scenes machinations. I'd be happy to submit names to Keith and Mary Alice.
