Dear Tim:

At the SEAALL business meeting held last week at the AALL annual conference, you called for SEAALL members interested in keeping track of legal developments affecting law libraries, especially access to government information.

I am currently a member of the AALL Government Documents SIS, attended the 1st legislative update sponsored by the Government Relations Committee at the conference, and am interested in becoming more actively involved in this vital issue. Please let me know if there is any way I can help through the SEAALL chapter, as a committee member or otherwise.

Sincerely,

M. Kathleen Ries
