Dear State Library Association Director:

I am writing on behalf of the Southeastern Association of Law Libraries Publicity and Public Relations Committee. We are an organization of librarians who are employed in court, law firm, corporate law department, and law school libraries.

Our committee is interested in informing other library professionals in the southeastern region of our programs and activities; and we welcome your members' participation at any of our upcoming events.

This year the annual SEALL meeting will be held in Tuscaloosa, Alabama in mid March. The tentative program title is "Dialogue with Library School Faculty & Dean" and will feature Dean Philip Turner and faculty from the University of Alabama Graduate School of Library and Information Studies. Recruitment issues as well as information on law librarianship as a profession will be addressed.

Additionally, preceeding the annual meeting will be a one-day institute on copyright in libraries. This institute is scheduled for March 14, also in Tuscaloosa.

We would be delighted for members of the _____ Library Association to attend our annual meeting and institute. I will send you more details on the program agendas and registration information once they become available.

If we can provide additional information to you on our chapter or its activities, please do not hesitate to call me (phone #).
Dear Dean:  

I have recently received some materials which may be of interest to your students.

Enclosed is an American Association of Law Libraries brochure and a law library information sheet. Many students are unaware of career opportunities in law libraries. Positions are available in small and large law firm, academic, court, corporate and government libraries.

In addition, students may not know the educational requirements for law librarians. A law degree is not mandatory for all library positions.

I have also enclosed several SEALL application/brochures. Students may be "associate" members for $10/year. Because your students are in the SEALL region, we are especially interested in keeping them informed of our meetings and activities. They are welcome to attend our annual spring meeting and institute in Tuscaloosa, Alabama, March 14-16, 1991. I will send you more detailed registration information in January.

Law libraries provide challenging career opportunities for graduate library students. We are interested in attracting qualified, talented individuals into the profession. If you need additional information or brochures, please do not hesitate to let me know.
