Dear Sarah:

I have today received from Frances Farmer letter dated April 30th asking that I send in our Chapter annual report. I note from Chapter correspondence, that you prepared this report last year and sent it to Mary Oliver for transmittal. I hope we can follow the same procedure this year - that you will be able to prepare the report again this year and then send it to me for transmittal. I have written to Mary and also to Jane asking that they send suggestions direct to you, as according to Frances' letter the report is to be sent promptly.

On April 28th, Dorothy Salmon wrote advising that the time set for the Southeastern Regional Conference of Law Teachers is August 23-25. Dorothy requests that we give her some estimate of the number we expect to attend our meeting so that she can advise as to facilities available for the meeting, etc. Do you have any idea of the number we can expect? The list of membership which Sarah sent me recently includes twenty-nine names. Eighteen librarians attended the Chapel Hill meeting in 1955. We might ask for some kind of advance registration later.

The tentative program of A. A. L. L. meeting in Philadelphia indicates that the morning of June 27th is free for group, chapter and committee meetings. Possibly we can have our Chapter meeting at that time.

I see also from the correspondence that report of Nominating Committee is to be made at that Chapter meeting. Please don't delay in sending me your suggestions for membership of the Nominating Committee. I imagine that it will require some time for the Committee to get the slate ready, etc. I do not like to make too many of the decisions without your help.

Are you planning to attend both the Philadelphia and the Lexington meetings? I surely hope so.

Sincerely,

[Signature]
