Southeastern Chapter  
of the American Association  
of Law Libraries, Inc.

Ms. Margaret A. Leary  
Director of the Law Library & Librarian  
University of Michigan  
Law Library, Legal Research Bldg.

Dear Margaret:

I came to the calendar page where I left a note to myself to write you concerning the Southeastern Chapter's Outreach Program to Library Schools. You had asked me to write if I had not heard from you within a reasonable time following the AALL Annual Meeting. With the beginning of school just around the corner, I figured that I should do it now before the reminder was buried among other important tasks.

The outreach program is just a year old. When I assumed the Presidency of the Southeastern Chapter, I requested Hazel Johnson to chair the Chapter's Publicity & Public Relations Committee, and I asked her to work to develop a program of contact with the 12 library schools within the 11-state region that the Southeastern Chapter covers. The basic purpose was to publicize Chapter activities, including the availability of student membership, at the library schools, as well as to offer the services of law librarians for "career day" programs and for classes in special librarianship, law librarianship, etc. Hazel organized the committee to make several contacts each year at each library school.

Hazel did a splendid job with the Committee, and I hope that we have started something that can continue to grow. This year, Sue Burch chairs the Chapter's Publicity & Public Relations Committee, so you might want to contact her about what she has planned for the year.
I appreciate your interest in the Southeastern Chapter's activities. Please let me know if I can provide more information.

Best regards,
