ABOUT KFGC...

The Kentucky Forage and Grassland Council is an educational forage-livestock organization composed of farmers, industry, and public service personnel. Forages are produced on more open land in Kentucky than any other crop.

In KFGC everyone interested in forages can work together to improve the forage-livestock industry in Kentucky. At the same time, KFGC serves the interests of the entire state by promoting better land use, soil conservation and improved water quality.

OBJECTIVES

- ▶ Promote the profitable and sustainable and environmentally sound use of forages for the efficient production of feed, food and fiber.
- ▶ Provide a forum for discussing forage problems and the exchange of ideas, opportunities and solutions to problems.
- ▶ To collect and publicize information on forage technology and economics.
- ▶ Promote the development and production of equipment and products by industries needed for forage production and utilization.
- ▶ Encourage expanded and intensified research in production, marketing and utilization of forages.
- ▶ Promote the use of forages for soil and water conservation and control of water pollution.
- ▶ Cooperate with other organizations to promote forage farming, marketing and utilization.
- ▶ Encourage outstanding achievements in the forage industry through a recognition and awards program.
- ▶ Develop vigorous leadership in forage activities to ensure continued support in Kentucky's forage industry.

MEMBERSHIP BENEFITS

- ▶ A Kentucky forage newsletter containing highlights of forage research and extension publications relevant to the Kentucky forage and livestock producer

- ▶ Updates on current and future educational meetings dealing with forages within Kentucky and across the United States
- ▶ Interaction with innovative and motivated individuals from the farmer, industry, and public service sector that can help with forage-livestock problems
- ▶ An affiliate membership in the American Forage and Grassland Council
- ▶ A free subscription to the *Forage Leader*, the magazine of the American Forage and Grassland Council
- ▶ Recognition for outstanding service and accomplishments in the farmer, industry, and public service sector through KFGC's awards program
- ▶ Opportunities to hear leading national speakers in the forage and livestock area through KFGC's annual forage conference
- ▶ A commodity voice in educational and legislative decisions that addresses the unique interests of the forage-livestock producer

ACTIVITIES

- ▶ Annual educational meetings to learn and exchange ideas on the production and utilization of forages.
- ▶ Forage tours and field days to see research and extension work as well as farmer and industry experience with forages.
- ▶ Conduct Grazing Schools across the state that will help farmers learn how forages and improved grazing systems can increase their profits and satisfaction of livestock farming..
- ▶ Print and distribute newsletters and other publications dealing with forage activities and information.
- ▶ Awards program to recognize outstanding accomplishments by forage producers and leaders in education and industry.

- ▶ Coordinate forage promotion efforts with other state and national organizations.
- ▶ Cooperate with state and federal agencies, educational institutions and local organizations in forage research, development and educational efforts

MEMBERSHIP

KFGC membership is open to anyone who is interested in promoting forage agriculture.

Individual members form the backbone of the council. They provide the leadership and carry out the daily activities of KFGC.

Corporate members are made up of agricultural or industrial business firms interested in promoting the objectives of KFGC. They provide financial support and program direction through their representative to KFGC.
