"Pool of Saints (version 1)"

geography and Social Theory can begin. The first section, *Locating Emotion*, focuses on health and embodiment through the micro-geographies of the body that range from dying to aging, healing to grieving. The second section, *Relating Emotion* places the structures of emotion in the attachment to place through geographies of identity and social relations which produce certain socio-spatial movements and encounters. Finally, the third section, *Representing Emotion* concentrates on how we produce emotional
