INTRODUCTION

A. Purpose of Handbook

This Handbook is intended to provide SEALL officers, committee chairs, and members an overview of the Chapter's operations. The Handbook should assist members assuming leadership positions to commence their work with information regarding the functions, duties, and responsibilities of each position as well as the practices of prior officers and committee chairs. The Handbook will also help to clarify instances of overlapping and intersecting responsibility, and to provide an idea of how the work one does may effect or be affected by the work of others.

The intention is not to provide every detail of past operations, or to replace personal contact among members. It is assumed, for example, that outgoing officers and committee chairs will thoroughly discuss with their successor the work of that office or committee, and provide more extensive documentation and records than can feasibly be included in this Handbook.

The Handbook is not intended to create unbending rules of procedure or to stifle creativity. Hopefully, the Handbook will provide an outline of past practices to serve as a starting point. The vitality of any organization requires initiative and imagination.

B. Relationship to Other Documents

This Handbook supplements the Chapter's Articles and Bylaws, but it does not have the same formal status as those core documents. While the latter are prescriptive, the Handbook is intended to be suggestive. In cases of conflict between the Handbook and the Articles and Bylaws, the latter prevail. While the Handbook attempts to provide interpretations of some of the general provisions of the core documents, the interpretations are not to be treated as definitive. Members should feel free to exercise judgment within their areas of responsibility and to deviate from the guidelines presented here when appropriate.

C. Updating

The Handbook will be updated on a regular basis, with the frequency of revision determined by the Publications Committee and the Executive Board. It is produced on three-hole punched paper to allow for insertion in a looseleaf binder and to facilitate updating of individual sections.

Suggestions for revisions should be forwarded to the Editor of the Handbook and the Chair of the Publications Committee. All users of the Handbook are encouraged to note statements that appear to conflict with actual or preferred practice and to suggest appropriate changes.

The Editor will revise the Handbook on a regular basis, as determined by the Board.

D. Distribution

The Handbook is distributed to all SEALL officers and committee chairs. Notice of its availability is published in the Newsletter, and other members wishing to receive a copy can request one from the Chair of the Publications Committee. Distribution to SEALL members is made free of charge.

A copy of the Handbook is also sent free of charge to the President of each AALL Chapter, to the Coordinator of the Council of Chapter Presidents, and to the Executive Director of AALL.

Copies requested by individuals or groups not mentioned above may be provided at the discretion of the Chair of the Publications Committee. If the volume of such requests results in major additional expense, the Chair may request authorization from the Executive Board to charge such individuals or groups an amount equal to the actual cost of copying and distributing the additional copies.
BACKGROUND

A. History

The development of local chapters within the American Association of Law Libraries traces its origin to a group of ten law librarians from Duke University, Wake Forest College, the North Carolina Supreme Court Library, and the University of North Carolina. In October 1937 this group met in Chapel Hill to organize a group to meet several times per year in the "interest of fellowship, common exchange of ideas, and cooperative projects." The group adopted the name North Carolina Law Librarians. They established the positions of President and Secretary-Treasurer. With a desire to maintain informality, no fees nor standing committees were established. The organization's formal projects were of particular interest to North Carolinians including a list of bibliographies and checklists for locating North Carolina publications.

One of the major interests of this fledgling organization was the expansion of membership. Initially, this interest was directed at bar librarians throughout North Carolina. These attempts, however, were not particularly successful. In October 1938, the law librarian of the University of South Carolina was invited to join the group. The addition of Ophelia Strickland required renaming the organization the Carolinas Law Librarians.

In October 1939, the Carolinas Law Librarians decided to apply to the American Association of Law Librarians for status as a chapter. The organization's request was accepted on the condition that a constitution be submitted to the national Association and that the name of the local chapter be altered to reflect its relationship to the national Association. The constitution was drafted by William R. Roalfe and the name was changed to the Carolinas Chapter of the American Association of Law Libraries. The funding of the chapter was based upon a receipt of a certain percentage of dues paid by members who belonged to both the chapter and the national organization.

A major effort by the organization in February 1940 was the inclusion in the North Carolina Law Review of a three-part list showing the contents of a model library of North Carolina legal materials. The chapter also offered assistance to local bar librarians in methods of establishing and maintaining these libraries. The Chapter was instrumental in encouraging both state bar associations to establish a committee on law libraries.

By spring 1943, the continuation of World War II caused the Carolinas Chapter to agree to discontinue meetings for the remainder of the war. In fall 1948, the group was reactivated. Post-war activities included revitalization of law schools throughout the region as veterans returned to enroll in law schools. Primary among these activities was the completion of a number of new law school buildings.

On September 9 through 11, 1953, a Chapter meeting was held in Durham and Chapel Hill with the Southeastern Regional Conference of Law Teachers. Seventeen librarians from seven states came to this conference and agreed to organize and request chapter status as a larger regional group. The decision was also made to retain a loose affiliation with the Law Teachers.

At the Annual Meeting of the American Association of Law Libraries in Miami, Florida, in 1954, the establishment of Southeastern Chapter of the American Association of Law Libraries was approved. The new organization drafted and adopted a constitution and bylaws and launched a newsletter. At the business meeting in which this new organization was formed, Mary Oliver was elected president and Sarah Leverette was elected Secretary/Treasurer. The group also agreed to hold meetings at the Annual Meetings of the American Association of Law Libraries and that future meetings would take place in conjunction with the meetings of the Southeastern Regional Conference of Law Teachers.

In October 1964, the Chapter created a scholarship honoring Lucile Elliott for her many contributions to the Chapter, the American Association of Law Libraries, and law librarianship. The purpose of the scholarship was to advance the professional knowledge and the careers of law librarians in the southeastern region. Lucile Elliott was president of the American Association of Law Librarians in 1953 and a founding member of the North Carolina Law Librarians. The first recipient of this scholarship was Kathleen Langan.

A major effort of the Chapter in the late 1960’s and early 1970’s was to check holdings of member libraries against the Association of American Law Schools List of Books Recommended for Libraries. A committee was formed to encourage cooperative use of resources and to establish areas of expertise in collection development. This cooperative attempt, however, was never successfully completed.

In spring 1975, the Southeastern Law Librarian was initiated. During its formative years it was edited by Gene Teitelbaum. The quarterly publication

highlighted a state legislative information series and a list of key court personnel.

After the 1981 summer meeting in Williamsburg, the organization agreed to spring meetings and the relationship with the Southeastern Conference of Law Teachers was severed. In 1982, the organization held their spring conference in Atlanta.

In recent years the members of the Chapter have helped create new chapters in Atlanta, South Florida, New Orleans, and Virginia.

In April 1989 under the direction of President Mary Smith Forman, the Chapter was incorporated in Florida. Shortly thereafter the Chapter held its first meeting outside of the continental United States during a cruise from Miami to Nassau.

ADMINISTRATIVE STRUCTURE

A. Officers

1. President

Articles and Bylaws Provisions

1. Committee Appointments

The President appoints all members of standing and special committees. Art. VIII.

Volunteers for service on committees are solicited during the summer after the President assumes office at the annual meeting of AALL. The President should consider expressed preferences, appropriate size and balance by geography and type of library.

The President appoints the nominating committee "who shall submit the names of the candidate or candidates" for Vice-President/President-Elect, Secretary and Treasurer "by March 1 in the year which the officer is elected...." Art. III, Sec. 1 (a).

The President must also accept communications in writing from any Chapter member who wishes to nominate any person in addition to those nominated by the Nominating Committee. Art. III, Sec. 1 (b).

Timetable for election of officers:

October 15: President appoints Nominating Committee
March 1: Nominating Committee presents names to President
Annual Meeting: Executive Board approves and President announces slate
April 24: Deadline for additional nominations
May 1: Secretary mails ballots
June 1: Deadline for return of ballots
AALL Annual Meeting: Secretary announces election results; new officers assume office at conclusion of Chapter business meeting. Art. V, sec. 6.

2. Executive Committee/Board of Trustees

The President is the presiding member of the Executive Committee and Board of Trustees. Art. VI.
3. Meetings

The President is responsible for calling meetings of the Chapter "as deemed necessary or when requested to do so by the Executive Committee." Provides "reasonable notice of such meetings to each member of the Chapter."

Art. II, sec. 2

The President presides over the Business Meeting (breakfast) at the annual AALL meeting. The agenda includes committee reports and officer reports.

The three-day annual SEALL meeting takes place in the spring, hosted by a group of librarians in one of the Chapter's regions. The President should seek a firm commitment by a host group at least one year in advance.

4. Notes of Interest

The phrase "nor shall the president hold office for more than two consecutive terms" does not seem to comport with the other Articles regarding the President and Vice-President/President-Elect.
2. Vice-President/President-Elect

Articles and Bylaw Provisions

1. Term of Office

   The Vice-President/President Elect serves as Vice-President for one year, then
   automatically serves as President for the subsequent year. Art. V, Sec. 1.

   The Vice-President/President Elect automatically assumes the presidency
   "[i]n the event that the president resigns prior to the completion of a regular
   term, or is otherwise unable to perform the duties of the office in the judgment
   of the Executive Committee...." The new President serves in that capacity "until
   his original presidential term would have expired, or for no more than two years,
   whichever is shorter." Art. V, Sec. 2.

2. Executive Committee/Board of Trustees

   The Vice-President/President Elect serves on the Executive Committee/Board of
   Trustees. Art. VII.

3. Program

   The Vice-President/President-Elect has traditionally been appointed the
   Chair of the Program Committee. The Program Committee is responsible for
   planning and presenting the program at the Chapter's Annual Meeting.

4. Notes of Interest

   The phrase "or for no more than two years, whichever is shorter" in Art. V, Sec. 2
   of the Articles appears to be superfluous.
3. Secretary

Articles and Bylaw Provisions

1. Term of Office

   The Secretary serves for two years. Art. V, sec. 1

   Serves on the Executive Committee. Art. VI

   Notifies the membership by mail or at a Chapter meeting of the outcome of elections of officers. B., Art. III, sec. 2

   Receives proposed amendments to the Constitution or the Bylaws and sends notice to all members through the mail at least 30 days prior to balloting on proposed amendments. B., Art. IV, sec. 1

   Sends mail ballots to change the Constitution or Bylaws immediately following a meeting where the amendments were discussed or thirty days after notice of the proposed amendments have been mailed to the membership. B., Art. IV, sec. 2
4. Treasurer

Articles and Bylaws Provisions
5. Immediate Past President

Articles and Bylaws Provisions
C. Standing Committees

1. Constitution and Bylaws Committee

Comments

Suggestions for amendments may be submitted to the Committee by the Executive Committee, or by an individual member or members. The Constitution and Bylaws Committee may also initiate its own proposed amendments.

Art. IV, sec. 1 of the Bylaws states that the Secretary of the Chapter is responsible for sending notice of amendments to the members. That section also specifies that proposed amendments be filed with the Secretary. Since the Constitution empowers the Executive Committee to propose amendments to the Constitution, and since the members of the Constitution and Bylaws Committee are appointed by the President, the recommendations of the Constitution and Bylaws Committee should be submitted to the President, who will provide copies to the Executive Committee. Once the Executive Committee has approved the recommended amendments (with or without changes), the President will "file" these proposed amendments with the Secretary.

Amendments proposed by a petition signed by ten percent of the members are to be filed directly with the Secretary.
The Constitution and Bylaws Committee is a standing committee under Article VII, section a. of the Constitution. Its primary function is to review the Constitution and Bylaws of the Chapter and to prepare drafts for their amendment and revision.

1. Proposals. Under Article IX of the Constitution, amendments to the Constitution may be proposed by the Executive Committee or by petition signed by ten percent of the chapter membership. There are no similar requirements for amendments to bylaws.

2. Notice. In drafting amendments or other changes to the Constitution or Bylaws, the Committee needs to schedule its work in consideration of the thirty day notice requirements under Article IV of the Bylaws. Any proposed amendment must be mailed to the membership at least thirty days prior to either a mail ballot or a ballot scheduled for a chapter meeting. To schedule the Committee's work, the chair needs to be conscious of the dates of chapter meetings and to know from the president how much time will be needed for Executive Committee consideration and to prepare the final proposals for mailing.

3. Committee Procedures. To facilitate the Committee's work, the chair should make sure that all Committee members have copies of the current version of the Constitution and Bylaws. Because the Committee members will probably be separated geographically, most of the Committee business will be conducted by mail. The chair determines how best to organize the Committee's work in light of the amount of business and time considerations.
S.E.A.L.L. Constitution and Bylaws Committee

STATEMENT OF FUNCTION

The Constitution and Bylaws Committee is a special committee created as necessary, according to the SEALL Constitution, Article VII (b). The SEALL President can appoint the committee for many reasons, the two most important of which are:

(1) to draft amendments to the Constitution and/or the Bylaws as directed by the Executive Committee (or members thereof), or by petition signed by 10% of the members (SEALL Const. Art. IX);

(2) to study the Constitution and Bylaws and propose changes that need to be made to clear up ambiguities or to clean up language.

The committee does not conduct ballots, nor is it responsible for sending notice of proposed amendments to the members. These are functions of the Secretary/Treasurer.

March 1984
1. The Committee is appointed by the President of SEALL.

2. The need for an amendment and the reasons behind this need are communicated to the Committee Chair by the Executive Committee, or a member of it, or by petition of 10% of the members of SEALL.

3. The Committee Chair requests an up-to-date copy of the SEALL Constitution and Bylaws from the Secretary/Treasurer.

4. The Chair distributes a copy of the up-to-date Constitution and Bylaws to committee member(s). The Chair reports to the member(s) the reasons given for needing the amendment.

5. Most of the drafting work of the Committee can be handled by mail. The most workable mail procedure is: a committee member drafts a version of the proposed amendment. This draft is submitted to the other member(s) for correction, amendment, or complete or partial revision. The corrected or revised draft is sent back to the rest of the Committee for comments.

6. If there are no disagreements, this process can be speedily handled by mail. If there are short time limits or fundamental disagreements in wording, telephone calls are used to clear up any problems as rapidly as possible.

7. It is the Chair's responsibility to clearly communicate time limits to the committee member(s).

8. When a draft is agreed to by the Committee, it is submitted to the Secretary/Treasurer by the Committee Chair. It is the responsibility of the Committee to submit the proposed amendment within the time specified by the Executive Committee or other requestor.

9. Once the Committee is constituted, it is also empowered to examine the Constitution and to bring any problems it finds to the attention of the Executive Board.

March 1984
2. Membership Committee

Constitutional and Bylaw Provisions

Determines eligibility for individual membership. (B, Art. I, sec. 1 (a))

Comments

See comments under Executive Board, above.

Actively recruits new members.
MEMBERSHIP COMMITTEE [SEALL]

1. Get current membership list from secretary/treasurer ASAP in September, if possible, and no later.

2. Check SEALL membership against the current AALL Membership Directory.

3. Since we just did this in April, 1985, I would suggest that new solicitation letters be sent only to those not contacted in April, 1985.

4. Brochure should be developed to be used with solicitation letter and for sending to law firms within region to enlighten attorneys.

[See file & - contact Pat Strougal for example]
A letter was sent to former members suggesting they renew SEALL membership. The following steps were followed in preparing the mailing list and letter:

1. The secretary/treasurer sends membership committee a list of previous year's membership with marks by those who have not paid current dues.

2. The AALL directory is checked against the membership list for any names of people in the SE area who are not current members.

3. A letter is sent to those names garnered from the above sources. (example of letter on following page)

Suggestions:

A more timely reminder would probably be more effective; this year's went out in February. If the membership lists (previous year and current) were sent to the committee about 2 months after dues are due, the committee could probably send out the "reminder letter" in September. Not only would there still be 9 months of membership left, since September is the beginning of the academic year, the reminder might prompt those who let things slide during the summer and "gear up" in the fall.

Feed back from the Secretary/treasurer about the number of renewals after the letter is sent would be useful in determining if this is effective.
III. C. 3. Newsletter Committee

SOUTHEASTERN LAW LIBRARIAN

The Southeastern Law Librarian is the official publication of the Southeastern Chapter of the American Association of Law Libraries. The newsletter is published quarterly in September, December, March and June. Outlined below are steps followed in the publication process of the newsletter, information regarding the composition of the editorial board, and various policies adopted by the editorial board.

I. EDITORIAL BOARD

A. Editor

The editor of the newsletter is named by the current President of the Southeastern Chapter in consultation with the Vice-President/President-Elect. The editor serves a two-year term.

B. Staff

Other members of the Chapter are solicited to write for the Newsletter. Two members coordinate the "SEAALL BRIEFS" section. The Placement Committee regularly submits a column for the job opportunities. The Secretary of the Chapter and the Treasurer of the Chapter submit their reports and minutes for publication in the newsletter. Other members, like the Program Chair and the Local Arrangements Chair, are asked to write articles about the annual meetings.

Members of the editorial board are solicited in several ways. At the beginning of a new editor's term, he or she should review the current positions necessary for the publication of the newsletter. Where appropriate, the current members who write for the newsletter are called and asked if they would like to continue writing the column. If they decline, the editor should ask for recommendations of other persons to write the column. Volunteers to write for the newsletter are solicited at chapter meetings and through the newsletter.

C. Advertising Manager

The Editor names a person who serves as the Advertising Manager who is responsible for soliciting advertisements and regularly reporting the status of the advertisements to the Editor.

II. PRODUCTION OF THE NEWSLETTER

A. Copy and Graphics

There are several regular columns in the newsletter. Those columns are:

President's Column
A question and answer column has been suggested by Kathy Heberer. She recommends that a question from a law librarian appear in one issue and other law librarians respond in the next issue with their suggestions/recommendations regarding how to handle the situation described in the question.

Feature articles are solicited from members of the Chapter. Examples of feature articles are the summaries of the chapter annual meetings, tax regulations and gift books, and a series of computer use articles.

Each article and/or column is typed using word processing software. After final editing, the articles are formatted into a two-column per page design. Copy is adjusted to provide space for advertisements and graphics. The editor and his/her assistant "cut and tape" the articles, graphics, and advertisements into place. Standard headings, like the newsletter masthead, the column headings, etc., are copied from an old newsletter and taped to the new copy. (Note: Use of tape on the copy does not interfere with the printing process.) The original paste-up of the Newsletter is sent to the printer.

B. Advertisements

The newsletter accepts business card size advertisements. Each publisher/advertiser pays $100.00 for its business card to appear in four issues. Advertisements for Law Book Exchange (the printer of the newsletter) are also included in the newsletter. Seven publishers/book dealers advertised in the last volume of the newsletter.

An agreement between the Chapter and Law Book Exchange prohibits the Chapter from accepting advertisements from book dealers in direct competition with LBE. The agreement should be reviewed periodically to determine if the Chapter wants to continue the printing arrangement with LBE.

C. Deadlines

The editor in consultation with the President of the Chapter sets the deadlines for each issue. For the last two volumes the following have been followed.

First of Month - Copy submitted to the Editor
15th of Month - Newsletter sent to LBE for printing
By end of Month - Newsletter sent to Chapter members

D. Printing and Mailing

Law Book Exchange is responsible for the printing and the mailing of the newsletter. The primary contact person with LBE is Randall Brown. The correct mailing address is:
After printing, Law Book Exchange mails the newsletter to chapter members with labels provided by the Secretary of the Chapter. It is important to correspond with the Chapter secretary to coordinate the receipt of the labels by LBE at the time necessary for labelling and mailing. The newsletter is mailed under the bulk mailing permit of LBE; a bill for the charges is mailed to the Treasurer of the Chapter.

III. BACK ISSUES OF THE NEWSLETTER

All back issues of the newsletter are stored with the current editor. Several calls each year are received by users who wish to obtain back issues.

NOMINATIONS COMMITTEE
PROCEDURES

The Nominations Committee shall solicit two candidates for the positions of Vice-President/President Elect (1 yr. term), Secretary (2 yr. term), Treasurer (2 yr. term). The Committee invites the entire SEALL membership to submit names of potential candidates. The Secretary is elected in even years and the Treasurer is elected in odd years. Once names are submitted, the Committee will seek as much information as possible on each person's qualifications. The Committee will pay particular attention to the following information on each candidate:

- SEALL Association activities
- Institution (Academic, Firm, Court, etc.)
- Professional Experience - activities
- Desire to serve

If necessary, the Committee will request a resume in order to determine the person's qualification. To the extent possible, the Committee will attempt to provide a slate of well qualified candidates that represent different types of law libraries.

The Committee must present its slate to the President by April 1. The Committee shall prepare for the election, by obtaining a biographical sketch of each candidate which will be forwarded to the Secretary for inclusion in the ballots.
NOMINATIONS COMMITTEE

The responsibility of the Nominations Committee is to each year recommend candidates for elected office in the Association. The nominating process usually consists of the following steps.

Soon after the appointment of the full Committee by the President, the Committee chair contacts other Committee members for suggestions for nominees. It has also been worthwhile to contact the chair of the preceding year's committee for individuals that group may have considered but not been able to recommend; similarly, the chair should contact the Past President, the current President and the Vice-President/President-Elect for suggestions they might have.

Those recommendations should then be shared with other members of the Committee who should also submit any suggestions they have.

The chair then normally prepares a composite list of suggested names and asks for a ranking by committee members.

Depending upon the results, the chair may need to contact committee members individually or as a group if there is not a consensus.

It is then the responsibility of the chair to contact the individuals suggested, in priority order, to seek their agreement to run for office.

Once nominees have agreed, the chair writes to the President of the Chapter, with copies to the other members of the committee indicating who the candidates for the upcoming election will be. Some Committee chairs have copied this letter to the individuals nominated as well.

The current Bylaws require that only one candidate be nominated for each of the two elected positions, Vice-President/President-Elect and Secretary/Treasurer. In both 1984 and 1985, however, the Nominations Committees have, of their own choosing, nominated two candidates for each office.

The chair also writes to the Secretary with the names of the candidates so the ballot can be prepared. Copies of each candidate's biographical form are sent to the Secretary so pertinent information can be used to notify the membership of each candidate's qualifications.
4. Nominating Committee

Constitutional and Bylaw Provisions

Submits by March 1 in the year in which the officers are to be elected the names of the "candidate or candidates" for the offices of Vice-President/President-Elect, Secretary and Treasurer. A Vice-President/President-Elect is elected every year. A Secretary and a Treasurer are elected for two-year terms. (B, Art. III, sec. 1 (a))

Comments

It is current practice for two competing candidates to be nominated for each office. The names are submitted to the President who seeks Executive Board approval for the slate and forwards the names to the Secretary for preparation of the ballot. (See the section on the President above for a timetable.)

* Although the Constitution does not so specify, the Secretary and the Treasurer have been elected in the same year.

This would change according to results of the upcoming election.

To serve as a vehicle to assist libraries in identifying potential librarians.
To serve as a source of information for placement activities within the profession of law librarianship; the relationship of the AALL Southeastern chapter placement committee and the national placement committee; the advertisement of jobs; and registration with the national placement committee.

1) Assisting job seekers to identify potential employers:

The placement committee will:
   Establish a network of information sources about available jobs.
   Advertise purpose of the committee.
   Give job seekers the names of libraries seeking librarians and encourage contact between employer and librarian.
   Give names of networking placement librarians to job seekers.
   Give information to job seekers concerning registration with the national placement committee.

2) Assisting employers to identify job seekers:

The placement committee will:
   Establish a network of information sources about job seekers.
Advertise committee purpose.
Give employers the names of job seekers (if the job seeker so requests) and/or encourage contact by the job seeker.

Give information to employers concerning placement lists, deadlines for advertising in national and chapter publications and the national placement committee members names and addresses.

3) Information about the law library profession; the national and Southeastern chapter placement committees; the advertisement of jobs; and registration with the national committee:

Some individuals and libraries contacting the placement committee will not be members of AALL or of the Southeastern chapter. The placement committee and networking libraries will give information about both organizations or will have the information sent to the inquirer. The following sources may be consulted for information:

1. "Introducing the American Association of Law Libraries" (AALL, September 1983)
3. Back issues of the Southeastern Law Libraries and AALL Newsletter
4. The AALL Southeastern Chapter President

The chair of the national AALL Placement Committee maintains a file of positions available. Available positions may be advertised in the AALL Newsletter, which is published monthly. The deadline for listing a position is the second Monday of the month prior to the publication. In addition, the monthly "Placement list" published by AALL is sent to the Southeastern Chapter Placement Committee Chair. This "List" advertises positions that have become available since the last newsletter.

The Southeastern Law Librarian (SLL), the official organ of the Southeastern Chapter of AALL, also publishes position announcements in each issue. The SLL is published quarterly:

1984-85 Deadlines: November 15 for Winter issue 1984
February 15 for Spring issue 1985
May 15 for Summer issue 1985
August 15 for Autumn issue 1985

To place an announcement in the SLL, a SLL committee member must be contacted.

The Placement Committee serves as a source of information concerning SLL deadline dates and as a "register" of available positions prior to publication of the SLL each quarter.

Individuals may have their resumes available to prospective employers by registering with the national placement committee. The registration forms of individuals who have registered with the national committee and who indicate an interest in obtaining a position in the southeast are sent to the Southeastern Chapter Placement Committee. There is a periodic follow-up to remove the registration forms of those who have accepted employment. The Southeastern Placement Chairman also has these forms available for the individual. When contacted by a job seeker, the chair or networking librarian will gather as much information about the individual as possible. Then the network of librarians will be utilized to gather information about the job market to match job seekers with job openings.

The networking concept is more flexible than the previous methods employed by the Southeastern placement committee. The purpose of creating this flexibility is to enable information about jobs and job seekers to travel along the network quickly and with a minimum of paperwork.

SOUTHEASTERN CHAPTER - AALL
EDUCATION COMMITTEE

REPORT

The SEAALL Education Committee was charged with constructing a plan for a series of education programs. In reviewing the work of the Special Education Committee and discussing by memo and phone, this Committee recommends the following:

1) The Education Committee recommends that the Vice President-President-Elect appoint a Workshop Director to plan a one day workshop to be held generally at the time of the SEAALL Annual Meeting. This person would coordinate topics and speakers with the Program Chair to avoid problems of duplication and conflict.

2) The Education Committee endorses the concept of one day workshops and encourages the Board to repeat these programs in areas where there is a high concentration of individuals who typically cannot travel to an annual meeting.

3) The Education Committee recommends the following subjects be considered as workshop programs:

First preference: Management
   Personnel management
   Personnel accountability
   Staff development
   Motivating senior employees

Second preference: Legal Reference
   Providing skills to clerks
   Legal reference to the public
   Legal reference v. practice of law
   Bibliographic instruction outside the classroom

Third category: Special legal topics
   Drug testing
   AIDS in the work place
   Coastal developments
4) The Education Committee recommends the following locations be considered for these workshops:

   Miami/Tampa/Orlando
   Charlotte
   Winston/Salem, Durham or Raleigh

5) The Education Committee recommends that SEAALL offer an honorarium to its speakers to be funded by increasing the registration fee.

6) Furthermore, the Education Committee recommends that because of the cruise scheduled for 1989, an enhanced regular meeting rather than a separate workshop be offered. The Education Committee encourages the development of a program to be offered on one day of the cruise and which will deal with personnel management issues.

Dear Sally:

Thanks very much for agreeing to serve as chair of the SEAALL Education Committee for 1987-88. Enclosed is a list of the members of your committee with their professional affiliations.

As we discussed on the phone and as is pretty evident from the education survey, I think the chapter's focus on additional educational activity should be in the nature of one-day programs; ideally a "canned" program with standard outlines and materials that would travel easily. I would like for your committee to construct a plan for a series of such programs, with the ultimate goal being to hold the first ones in 1988/89. Among the items which I think need to be addressed initially are:

1) Topic -- basic or advanced, law firm, academic or general orientation

2) Location -- central to a large group of librarians, with individuals willing to assume local responsibility, number of different locations

3) Registration -- I think the chapter could subsidize this program for awhile, I'd like to see it become a "break-even" situation, but I think we'd like to keep the fees as low as possible at the same time

4) Speakers -- local or imported, compensated or not, how much, by whom (chapter or registration fees)

5) Format -- half-day, one-day with lunch, one-day lunch on your own

6) Program materials -- who produces, do we borrow from previous AALL programs (i.e. Dallas reference institute)
If we organize this up carefully, I think we can set a pattern for it to be repeated each year with different topics. Does this give you an outline of what we are looking for? If not, I'll be happy to talk with you at length at your convenience.

Sincerely,

Hazel L. Johnson
President

Informally advises the Newsletter editor on policy and management matters (production methods, advertising, the nature of material to be published, etc.) In practice, the Newsletter Committee deals directly with most of these questions. The Publications Committee Chair can serve as an informal conduit of information and opinion about the Newsletter received from members of the Publications Committee and other Chapter members.

Develops guidelines for SEALL publication projects:

-- Types of publications that might be undertaken: e.g., bibliographies, research guides, salary surveys, other statistical surveys, model library procedures manual, etc.

-- Production methods, costs, distribution, etc.

Serves as link with Chair of AALL Publications Committee and *Law Library Journal* and *AALL Newsletter* editors; suggests Chapter members' publications suitable for inclusion in AALL publications (such as *Journal*, *Newsletter*, and *AALL Publications and Occasional Papers* series).

Makes available to Chapter members information on the variety of existing sources of publication for writing by law librarians, including but not limited to SEALL and AALL publications.

Coordinates updating and distribution of Selective Bibliographies of State Practice Material, State Legislative Information Checklists and Guides to Obtaining Current Legislative Materials that originally appeared in the Newsletter.

FROM:      Steven D. Hinckley, Chair, SEAALL Publicity and
Public Relations Committee
RE:        Report of Publicity and Public Relations Committee,
1987-88.

Unfortunately, for reasons that I will detail later in this
memorandum, the report of the activities of the SEAALL Publicity
and Public Relations Committee for 1987-88 is painfully brief and
lackluster. Following your July 27, 1987 instructions to focus
on "actual publicity" this year, I sent each Committee member an
optimistic letter on September 16, 1987, (copy enclosed), in
which I told them that our charge was to "spread the word" about
SEAALL activities and accomplishments, regionally and nationally.
I anticipated that I would contact each member and make them
responsible for compiling lists of publications, in their states,
that might be interested in SEAALL news. In fact, I did prepare
and "fax" two announcements to Frank Houdek for publication in
the AALL Newsletter (one, published in the October, 1987 issue,
announcing our 1987-88 SEAALL officers, and the second, published
in the December, 1987 issue, outlining the early plans for this
year's annual meeting in Lexington). All publicity about the
upcoming program that appeared in the Southeastern Law Librarian
was sent directly to Tim Coggins by Mary D. Smith and others
none of that ever went by my desk. I was never sent any SEAALL
news of "local" interest specifically to the states represented
by my committee's members, and as a result, I did not feel that
it was worth their time to prepare exhaustive lists of local
publications that might never be used. Consequently, the sum
total the committee's work for 1987-88 consisted of the
preparation of two announcements, published in the AALL
Newsletter.

As I hope you can tell from my September 16, 1987 letter to
Committee members, I am a believer in more publicity of the
accomplishments of law librarians. Unfortunately, I am
pessimistic that the SEAALL Publicity and Public Relations
Committee, as it is currently constructed, is capable of doing
the job. I believe that a thorough examination of the organization's publicity and public relations goals needs to be made, and I would encourage you and other Executive Board members to do so at the upcoming Lexington meeting. Although I regret that I cannot be there myself this year, allow me to share a few thoughts about the problems that the Committee faces in accomplishing its objectives, and to recommend some possible Committee changes that might lay the foundation for your discussions.

First, it must be made clear to all officers and members of SEAALL that we have a Publicity and Public Relations Committee, and that all announcements and notices should be sent to the committee Chair for his or her consideration. In that way, the Chair can decide what the appropriate publications are for distribution, and either send it to that publication him/herself, or forward it to the Committee member responsible for the state with the greatest interest in the notice. Ideally, that should include all notices that are published in the SEAALL newsletter. As indicated above, I received only one thing all year from a SEAALL member requesting publicity and that was Mary Smith's program announcement that she had sent to Tim Coggins. At least by doing that, I was able to fashion a similar notice for publication in the AALL Newsletter. Beyond that, the well was dry, and you cannot publicize things that do not happen! The Committee should be considered the central clearinghouse for all SEAALL notices and announcements.

Second, I would suggest that the Committee have fewer members. While I understand that the goal was to be geographically diverse and large enough to share the responsibilities of the job, there is no way that there will be enough publicity work for eleven people for the foreseeable future. In fact, it takes so long to communicate with a committee of eleven, spread all over the eastern part of the country, that I truly could not justify the time expended to do that, particularly at the expense of my own job! Frankly, I think that the Committee needs a strong chairman and no more than four other members to handle all of our publicity needs. As it stands now, the committee is unworkably large.

There should be some real communication between the SEAALL Placement Committee and the SEAALL Publicity and Public Relations Committee. I know that this is one of our stated goals for this year, but it has not happened. I suppose that Mary Cross and I should both take the blame for not communicating with the other, but I kept on waiting to hear something about our activities and placement efforts from someone and the word never came. I really do think that we need to get the message out to prospective employers that they should consider our placement service when seeking library staff, but I do not think that the members of the Publicity and Public Relations Committee should have to act like investigative reporters scrounging around for some news fit to print. Instead, news should flow naturally to the Committee, and
it should be the Committee's job to disseminate it to interested parties.

I hope that this does not sound too pessimistic. I am willing to take responsibility for not doing more to stir my Committee up. However, as I have said, I found this Committee to be nearly impossible to get a handle on, and I feel that some serious rethinking of the mission and structure of the Committee is needed if it is ever to operate successfully. I was honored to be asked to serve as Committee Chair, and I would be glad to do anything that I can to help restructure the Committee in the future. Please feel free to call me anytime to discuss these comments at length if you so desire.
MEMORANDUM

To: Hazel L. Johnson, President
From: Donald G. Ziegenfuss
Date: March 4, 1988
Re: Report and Recommendations of the Special Committee on Service to SEALL

The Special Committee on Service to SEALL met by telephone conference to discuss the concept of making an annual award for service to the Chapter. The Committee discussed several proposals including an award for continuing service as well as an award for service provided during one year. The Committee feels that an award would be an effective vehicle to encourage participation by newer members and a potential vehicle to recognize those members who continue to make contributions to the Chapter year after year.

The Committee chose not to recommend an award to a particular person this year without having Board approval of the concept and the funding.

The Committee recommends that:

1) the President appoint annually, but at his or her discretion, a special committee to be called the "Committee on Service to the Chapter", composed of three members, one of whom shall be the immediate past-president;

2) this Committee be empowered to receive nominations, to select candidates and to give an award to the person who makes a special contribution to the Chapter;

3) the selection be based primarily on the work performed during the prior year; but, that the selection in any given year may be based on cumulative, or continuing, service to the Chapter;

4) this award be a plaque, signifying the contribution, as well as a stipend in the amount of $100.00;

5) this award be given at the annual meeting of the Chapter.

The Committee members are Clayne Calhoun, Robin K. Mills and Donald G. Ziegenfuss.

INTRODUCTION

A. Purpose of Manual

This Manual is intended to provide SEALL officers, committee chairs, and members an overview of the Chapter's operations. The Manual should assist members assuming leadership positions to commence their work with information regarding the functions, duties, and responsibilities of each position as well as the practices of prior officers and committee chairs. The Manual will also help to clarify instances of overlapping and intersecting responsibility, and to provide an idea of how the work one does may effect or be affected by the work of others.

The intention is not to provide every detail of past operations, or to replace personal contact among members. It is assumed, for example, that outgoing officers and committee chairs will thoroughly discuss with their successor the work of that office or committee, and provide more extensive documentation and records than can feasibly be included in this Manual.

The Manual is not intended to create unbending rules of procedure or to stifle creativity. Hopefully, the Manual will provide an outline of past practices to serve as a starting point. The vitality of any organization requires initiative and imagination.

B. Relationship to Other Documents

This Manual supplements the Chapter's Articles and bylaws, but it does not have the same formal status as those core documents. While the latter are prescriptive, the Manual is intended to be suggestive. In cases of conflict between the Manual and the Articles and bylaws, the latter prevail. While the Manual attempts to provide interpretations of some of the general provisions of the core documents, the interpretations are not to be treated as definitive. Members should feel free to exercise judgment within their areas of responsibility and to deviate from the guidelines presented here when appropriate.

C. Updating

The Manual will be updated on a regular basis, with the frequency of revision determined by the Publications Committee and the Executive Board. It is produced on three-hole punched paper to allow for insertion in a looseleaf binder and to facilitate updating of individual sections.

Suggestions for revisions should be forwarded to the Chair of the Publications Committee. All users of the Manual are encouraged to note statements that appear to conflict with actual or preferred practice and to suggest appropriate changes.
D. Distribution

The Manual is distributed to all SEAL officers and committee chairs. Notice of its availability is published in the Newsletter, and other members wishing to receive a copy can request one from the Chair of the Publications Committee. Distribution to SEAL members is made free of charge.

A copy of the Manual is also sent free of charge to the President of each AALL Chapter, to the Coordinator of the Council of Chapter Presidents, and to the Executive Director of AALL.

Copies requested by individuals or groups not mentioned above may be provided at the discretion of the Chair of the Publications Committee. If the volume of such requests results in major additional expense, the Chair may request authorization from the Executive Board to charge such individuals or groups an amount equal to the actual cost of copying and distributing the additional copies.
BACKGROUND

A. History

The development of local chapters within the American Association of Law Libraries traces its origin to a group of ten law librarians from Duke University, Wake Forest College, the North Carolina Supreme Court Library, and the University of North Carolina. In October 1937 this group met in Chapel Hill to organize a group to meet several times per year in the "interest of fellowship, common exchange of ideas, and cooperative projects." The group adopted the name North Carolina Law Librarians. They established the positions of President and Secretary-Treasurer. With a desire to maintain informality, no fees nor standing committees were established. The organization's formal projects were of particular interest to North Carolinians including a list of bibliographies and checklists for locating North Carolina publications.

One of the major interests of this fledgling organization was the expansion of membership. Initially, this interest was directed at bar librarians throughout North Carolina. These attempts, however, were not particularly successful. In October 1938, the law librarian of the University of South Carolina was invited to join the group. The addition of Ophelia Strickland required renaming the organization the Carolinas Law Librarians.

In October 1939, the Carolinas Law Librarians decided to apply to the American Association of Law Librarians for status as a chapter. The organization's request was accepted on the condition that a constitution be submitted to the national Association and that the name of the local chapter be altered to reflect its relationship to the national Association. The constitution was drafted by William R. Roalfe and the name was changed to the Carolinas Chapter of the American Association of Law Libraries. The funding of the chapter was based upon a receipt of a certain percentage of dues paid by members who belonged to both the chapter and the national organization.

A major effort by the organization in February 1940 was the inclusion in the North Carolina Law Review of a three-part list showing the contents of a model library of North Carolina legal materials. The chapter also offered assistance to local bar librarians in methods of establishing and maintaining these libraries. The Chapter was instrumental in encouraging both state bar associations to establish a committee on law libraries.

By spring 1943, the continuation of World War II caused the Carolinas Chapter to agree to discontinue meetings for the remainder of the war. In fall 1948, the group was reactivated. Post-war activities included revitalization of law schools throughout the region as veterans returned to enroll in law schools. Primary among these activities was the completion of a number of new law school buildings.

On September 9 through 11, 1953, a Chapter meeting was held in Durham and Chapel Hill with the Southeastern Regional Conference of Law Teachers. Seventeen librarians from seven states came to this conference and agreed to organize and request chapter status as a larger regional group. The decision was also made to retain a loose affiliation with the Law Teachers.

At the Annual Meeting of the American Association of Law Libraries in Miami, Florida, in 1954, the establishment of Southeastern Chapter of the American Association of Law Libraries was approved. The new organization drafted and adopted a constitution and bylaws and launched a newsheet. At the business meeting in which this new organization was formed, Mary Oliver was elected president and Sarah Leverette was elected Secretary/Treasurer. The group also agreed to hold meetings at the Annual Meetings of the American Association of Law Libraries and that future meetings would take place in conjunction with the meetings of the Southeastern Regional Conference of Law Teachers.

In October 1964, the Chapter created a scholarship honoring Lucile Elliott for her many contributions to the Chapter, the American Association of Law Libraries, and law librarianship. The purpose of the scholarship was to advance the professional knowledge and the careers of law librarians in the southeastern region. Lucile Elliott was president of the American Association of Law Librarians in 1953 and a founding member of the North Carolina Law Librarians. The first recipient of this scholarship was Kathleen Langan.

A major effort of the Chapter in the late 1960's and early 1970's was to check holdings of member libraries against the Association of American Law Schools List of Books Recommended for Libraries. A committee was formed to encourage cooperative use of resources and to establish areas of expertise in collection development. This cooperative attempt, however, was never successfully completed.

In spring 1975, the Southeastern Law Librarian was initiated. During its formative years it was edited by Gene Teitelbaum. The quarterly publication

highlighted a state legislative information series and a list of key court personnel.

After the 1981 summer meeting in Williamsburg, the organization agreed to spring meetings and the relationship with the Southeastern Conference of Law Teachers was severed. In 1982, the organization held their spring conference in Atlanta.

In recent years the members of the Chapter have helped create new chapters in Atlanta, South Florida, New Orleans, and Virginia.

In April 1989 under the direction of President Mary Smith Forman, the Chapter was incorporated in Florida. Shortly thereafter the Chapter held its first meeting outside of the continental United States during a cruise from Miami to Nassau.

ADMINISTRATIVE STRUCTURE

A. Officers

1. President

Articles and Bylaws Provisions

1. Committee Appointments

The President appoints all members of standing and special committees. Art. VIII.

Volunteers for service on committees are solicited during the summer after the President assumes office at the annual meeting of AALL. The President should consider expressed preferences, appropriate size and balance by geography and type of library.

The President appoints the nominating committee "who shall submit the names of the candidate or candidates" for Vice-President/President-Elect, Secretary and Treasurer "by March 1 in the year which the officer is elected...." Art. III, Sec. 1 (a).

The President must also accept communications in writing from any Chapter member who wishes to nominate any person in addition to those nominated by the Nominating Committee. Art. III, Sec. 1 (b).

Timetable for conduct of election of officers:

October 1: President appoints Nominating Committee
March 1: Nominating Committee presents names to President
Annual Meeting: Executive Board approves and President announces slate
April 24: Deadline for additional nominations
May 1: Secretary mails ballots
June 1: Deadline for return of ballots
AALL Annual Meeting: Secretary announces election results; new officers assume office at conclusion of Chapter business meeting. Art. V, sec. 6.

2. Executive Committee/Board of Trustees

The President is the presided member of the Executive Committee and Board of Trustees. Art. VI.
3. Meetings

The President is responsible for calling meetings of the Chapter "as deemed necessary or when requested to do so by the Executive Committee." Provides "reasonable notice of such meetings to each member of the Chapter." Art. II, sec. 2

The President presides over the Business Meeting (breakfast) at the annual AALL meeting. The agenda includes committee reports and officer reports.

The three-day annual SEALL meeting takes place in the spring, hosted by a group of librarians in one of the Chapter's regions. The President should seek a firm commitment by a host group at least one year in advance.

4. Notes of Interest

The phrase "nor shall the president hold office for more than two consecutive terms" does not seem to comport with the other Articles regarding the President and Vice-President/President-Elect.
2. Vice-President/President-Elect

Articles and Bylaw Provisions

1. Term of Office

The Vice-President/President Elect serves as Vice-President for one year, then automatically serves as President for the subsequent year. Art. V, Sec. 1.

The Vice-President/President Elect automatically assumes the presidency "[i]n the event that the president resigns prior to the completion of a regular term, or is otherwise unable to perform the duties of the office in the judgment of the Executive Committee...." The new President serves in that capacity "until his original presidential term would have expired, or for no more than two years, whichever is shorter." Art. V, Sec. 2.

2. Executive Committee/Board of Trustees

The Vice-President/President Elect serves on the Executive Committee/Board of Trustees. Art. VII.

3. Program

The Vice-President/President-Elect has traditionally been appointed the Chair of the Program Committee. The Program Committee is responsible for planning and presenting the program at the Chapter’s Annual Meeting.

4. Notes of Interest

The phrase "or for no more than two years, whichever is shorter" in Art. V, Sec. 2 of the Articles appears to be superfluous.
3. Secretary

Articles and Bylaw Provisions

1. Term of Office

The Secretary serves for two years. Art. V, sec. 1

Serves on the Executive Committee. Art. VI

Notifies the membership by mail or at a Chapter meeting of the outcome of elections of officers. B., Art. III, sec. 2

Receives proposed amendments to the Constitution or the Bylaws and sends notice to all members through the mail at least 30 days prior to balloting on proposed amendments. B., Art. IV, sec. 1

Sends mail ballots to change the Constitution or Bylaws immediately following a meeting where the amendments were discussed or thirty days after notice of the proposed amendments have been mailed to the membership. B., Art. IV, sec. 2

President's Page

I was sorry to miss the Houston convention and the chapter meeting there, but I will look forward to our upcoming meetings in Nashville and San Diego. It is a pleasure to follow Don Ziegenfuss in this office. He did an excellent job as President and made it look easy — perhaps the best compliment I can pay him.

The 1983-84 committee appointments are listed below. This year the standing committees will be working with Pam Graham (Georgia State Library) to develop a procedural manual for the chapter. This should save future committees from much wasted effort.

The Executive Board has begun to plan for the 1985 meeting. New Orleans has submitted a bid, suggesting that with the size of the chapter, we could choose a small hotel in the French Quarter. The possibility of joint participation by SWALL is also under consideration.

Program planning for the 1984 Nashville meeting is in the early stages. Ed Schroeder's Program Committee is composed of Margarette Dye and Larry Wenger, and all of them would be receptive to your suggestions. The meeting dates are April 12 to April 14, and the Nashville climate at that time of year is lovely. I hope you will begin planning now to attend.

Last year Don asked for volunteers for a committee to consider the chapter's long term goals and needs. There was no interest then, but the need for long range planning remains. If anyone is interested this year, please contact me.

THE SOUTHEASTERN LAW LIBRARIAN is published quarterly. All member of the chapter are invited to submit articles and announcements for inclusions. The deadline for the next issue is November 15. Material should be sent to the editor, Carol Billings, at the Law Library of Louisiana, Supreme Court Building, 301 Loyola Ave., New Orleans, LA 70112.
MICHAEL J. LYNCH joined the staff of the Law Library at the Florida State University College of Law in July 1984 as Reference Librarian. Michael has a Ph.D. from the University of Detroit, a J.D. from the University of Michigan, and a M.Libr. from Emory University. Prior to joining the staff at Florida State, he was Director of the Law Library at George Mason University.

KATHY S. HEBERER, formerly Associate Librarian with Akerman, Senterfitt & Eidson in Orlando is now the (first!) Librarian with Rumberger, Kirk, Caldwell, Cabaniss & Burke law firm in Orlando. Kathy received her M.L.S. from the University of South Florida, Tampa.

New member, JENNY R. JOLINSKI joined Akerman, Senterfitt & Eidson as Associate Librarian in April. Jenny received her M.L.S. from the University of North Carolina at Chapel Hill and, although she is new to law librarianship, has spent a number of years in academic and public libraries as well as doing some free-lance cataloging.

SPECIAL COMMITTEE ON INTERNATIONAL PLACEMENT

The Special Committee on International Placements (SCIP) is beginning its second year as a special committee of the American Association of Law Libraries. The Committee hopes to act as a clearinghouse for law librarians, both here and abroad, who wish to participate in international employment exchanges or visitations, and for foreign and domestic law libraries who wish to participate in the program.

To determine the viability of the Committee's endeavor, a questionnaire was sent to law libraries in selected geographical locations last year. The positive response in dicated there is interest for this type of program.

Since funding is a constraint in effecting an international placement program, SCIP members are collecting information on funding sources to which an individual or institution might apply to finance an exchange or visitation. Also, work is currently underway to develop guidelines for libraries participating in an exchange of staff or the hosting of a librarian from another country.

The Committee is now developing a file of U.S. law libraries which are interested in the program. If your library is a potential participant, please contact Claire M. Germain, SCIP Committee, Duke University, Law School Library, Durham, N.C. 27706. A questionnaire will be sent to you to gather further information.

S.E.A.L.L. BRIEFS

Compiled by Timothy Coggins

Research for Miller Canfield Paddock & Stone in Detroit, Michigan.

KIMBERLY A. PORTER was named an Education Representative for Mead Data Central in January 1985. Kimberly has a B.S. in Advertising from the University of Texas at Austin. She was formerly account representative with Mead Data.

CORRECTIONS/ADDITIONS

In the last issue, a portion of JoEllen McComb's WESTLAW ONLINE UPDATE was omitted. The third paragraph should read as follows:

When the message "No documents satisfy your search request" appears on the screen, WESTLAW has always allowed you to edit your query and try again. You were left feeling stuck if you wanted to keep your original search request and try a different database. Now WESTLAW instructs you how to run the same search in a different database. Erase your search as it appears on the screen (on WALT, hit Delete/EOF key), and type S DB _ _, filling in the database identifier you select. Until you enter a new search request, WESTLAW retains the current search, even if it's no longer displayed on the screen. For example, if you decide to edit your query and type in Q DB _ _, revise your query, and then change your mind before entering it, you can retrieve the original formulation. Just erase the revision from the screen, type Q and press enter. Your original search will be displayed.

In addition, the authors' names were omitted from the lead article, "Use of Laser Disk Technology." Profound apologies to STEPHEN K. BURNETT, Director of George Mason University Law Library and MICHAEL J. PETIT, Assistant Librarian for Technical Services of George Mason University Law Library.
As most of you realize, this is my first letter to the chapter as its president. Before sharing with you a few thoughts concerning our chapter and law librarianship, I would like to take one more opportunity to thank publicly Kay Todd our past president, Ed Edmonds our past secretary/treasurer and Carol Billings our past editor of the SOUTHEASTERN LAW LIBRARIAN. For many a moon each of these people has served the chapter; in fact, one must go back over two years not to find each of them mentioned on the masthead of the SOUTHEASTERN LAW LIBRARIAN. Personally and as a group we owe many many thanks to them and the chapter members who served on committees this past year or assisted them in their tasks these last two years. Many thanks to all of you for a job well done.

My first task as chapter president has been to appoint committees. This is noted elsewhere in the newsletter; hope I have remembered to appoint to committee preferences each of you that volunteered. If I haven't, please feel free to drop me a line or give a call so that I can correct that omission. Dick Danner (Duke) and his Program Committee of Susan English (U. of Richmond) and Peggy Martin (Kilpatrick & Cody) are already hard at work planning our spring meeting scheduled for March 7-9 in New Orleans. Dick and the Program Committee will appreciate greatly any suggestions you may have.

If you would indulge me a few moments I would like to share some more personal thoughts with you. What are we? What are Law librarians? In a sense we must be all things to all peoples.

We are INFORMATION SPECIALISTS. We aren't limited by the four walls of our libraries; ours is to acquire the information whether in our collections or elsewhere.

We are BUDGET AND FINANCE OFFICERS; we are PLANNERS. We set the goals for our (Continued on Page 3)
WHO ARE WE?

Continued from Page 8

category entitled Courts and included independent law librarians under the category of Publishers. The employment figures follow:

University — 185 — 46.8 percent
Firms — 84 — 21.2 percent
Courts — 82 — 20.8 percent
Publishers — 12 — 3 percent
Corporations — 6 — 1.5 percent

For twenty-six (6.6%) of our members who have their Southeastern Law Librarian mailed to a residential address, I was unable to determine an affiliation. On our next dues notice or perhaps for the directory we will attempt to categorize the groups a little more succinctly.

All right you may be asking, so what? I believe there are some conclusions which can be drawn from these statistics. First, the vast majority of Southeastern employers are supporting our professional activities through membership in a professional association. I hear many firm librarians saying they cannot make the administration of their firm understand the importance of such memberships, perhaps these statistics can be used to encourage recalcitrant employers. I also feel that we should be grateful for those members holding a membership in Southeastern and in another chapter. Many of these dual members are among our most active. I was very surprised to find the percentage of firm librarians was so small when compared to that of university librarians. On a national level, the numbers of firm librarians seem to be rising. Are Southeastern firms smaller or slow to hire a librarian? Are we not reaching the firm librarians?

The Southeastern Chapter has 395 members and we need every one to be an active force for the Chapter to realize its potential as a dynamic, exciting organization. As A.A.L.L.’s oldest chapter, we also can be it’s most dynamic.

This first column for me is extremely easy to write, just a few thanks to certain chapter members and a continued plea for contributions.

Hazel and Mary have been great during the transition. Both have called and given their support and encouragement. Carol, as a former newsletter editor, also understands the time pressures and the constant reassurance which an editor needs. All chapter members have been supportive, agreeing to edit columns, to write columns and articles, and to forward information to me. Information is the number one need for the newsletter. Please continue to send me information about the library profession and libraries in your area. The editors need this information to make the newsletter useful to you.

Finally, thanks must go to Randall Brown and Cheryl Olszyw of Law Book Exchange. Randall's kind offer to print the newsletter is going to save the chapter the costs of typesetting and printing. Cheryl is the contact person at Law Book Exchange who is working out the various details of printing and mailing. Her job is not an easy one until the procedures for copying, mailing, etc. are determined and perfected. As you can see, the newsletter is not being typeset. The cost of typesetting the newsletter is tremendous. Also, with Randall's offer to print and duplicate it was not going to be easy to locate a printer who would only agree to typeset the original. Please let me know if you have urgent requests!!

DRAFT PROCEDURES
Secreatry, SEALL

The duties of the Secretary can be divided into three principle categories: the taking and distribution of minutes at business meetings of the Chapter, distribution of ballots and tabulating the election results, and corresponding regarding members, potential members and other matters pertaining to the Chapter.

Minutes of meetings

The Secretary is responsible for preparing minutes of the meetings of the Chapter, usually the annual meeting and the breakfast meeting held in conjunction with the AALL annual convention. Minutes when completed should be either sent to the Editor of the Newsletter for publication there, or held for distribution at the next business meeting of the Chapter.

Chapter elections

Either the President or the Chair of the Nominating Committee will send the Secretary a list of candidates recommended for each office,
including biographical information. It is the responsibility of the Secretary to prepare the ballot and distribute copies to all voting members of the Chapter. The constitution specifies that elections are to be held in May of each year, and allowing four to five weeks for the completion and return of ballots seems, based on past experience, sufficient time for members to vote.

Three envelopes are used in the ballot mailings: the first is a number #10 large envelope which is addressed to each member and in which the ballot and other materials are placed. A slightly smaller envelope is addressed to the Secretary, for members to return their ballots. An identification number should be placed on the back of this envelope, and this number also placed opposite each member's name on the membership list, to insure that only the appropriate number of ballots are returned. When ballots are returned, the number on the envelope is checked against that on the membership list. The third envelope is smaller, and plain. Members are requested to insert their ballot in that envelope, seal it, and then return it in the mid-sized, pre-addressed envelope to the Secretary.

It is helpful to wait four to six days after the deadline for the mailing of ballots to allow sufficient time for letters to clear the post office. When the tally of the ballots has been completed, the Secretary should notify the President, and either the President or the Secretary, depending upon their decision, should notify the candidates of the election results. The Secretary should then mail a formal letter stating election results to the President, and at the next business meeting of the Chapter report the results of the election. In past years this has been the names of the winners only and the number of ballots returned; it has not included revealing the number of votes for each candidate for each position.

At that business meeting, the Secretary should also ask for authorization to destroy the ballots.

Correspondence

The Secretary is responsible for handling inquiries regarding the Chapter, primarily membership correspondence, and for transmitting membership information to other Chapter officers. More specifically, the practice has been that for inquiries regarding membership, a letter and an application form are sent to potential applicants, with instructions that they should complete the form and send their check and the form to the Secretary. The person's name is then added to the membership list, and the type of membership (institutional, individual or associate) noted in the computer file. A letter of transmittal is prepared to send the check to the Treasurer, and a copy of that letter goes to the chair of the Membership Committee. This lets the Membership chair know the names of individuals who have joined the chapter.

A letter is also sent to the applicant, acknowledging receipt of the application and indicating that person is now a member. At that time, the new member is asked to complete the biographical form and return it to the Newsletter editor responsible for membership news.
Membership lists are prepared several times a year. The Secretary will be asked to prepare mailing labels for each of the quarterly issues of the Newsletter, and occasionally for special mailings, either regarding the annual meeting or, for instance, scholarship application information.

4. Treasurer

Constitutional and Bylaw Provisions

Serves for two years. (C Art. V, sec. 1)

Serves on the Executive Committee. (C Art. VI)

Suspends the membership of any person who has not paid dues no later than three months after the due date appearing on the dues notice. Restores membership upon payment of dues for the current year. (B, Art. I, sec. 3)

Comments

Opens and maintains a checking account in the name of the Chapter.

Disburses funds from the checking account at the direction of the Executive Board.

B. Executive Committee

Constitutional and Bylaw Provisions

Determines whether special elections to fill unexpired terms of the Vice-President/President Elect, Secretary or Treasurer are held by mail or at the next Chapter meeting. (C Art. V, sec. 4)

Consists of the President, Vice-President/President-Elect, Secretary, Treasurer and Immediate Past-President. "[D]irect[s] the activities of the Chapter subject to the provisions of this Constitution and the bylaws and in accordance with the policies agreed upon by its members." (C Art. VI)

May propose amendments to the Constitution. (C Art. IX)

Considers appeals from rulings of the Membership Committee concerning eligibility for individual membership. (B Art. I, sec. 1 (a))

Determines whether an institution applying for membership as an
institutional member is a law library. (B, Art. I, sec. 1 (b))

May select to associate membership "[p]ersons, companies and institutions not connected with law libraries, residing in or outside of the Southeast region, or connected with law libraries but residing outside of the region...." (B, Art. I, sec. 1 (c))

Determines time and place of and makes arrangements for annual meetings. (B, Art. II, sec. 1)

May request the Presidents to call meetings in addition to the annual meeting. (B, Art. II, sec. 2)

Specifies "the time for closing the balloting" in mail ballots "conducted for the purpose of changing the Constitution or Bylaws" which "in no case shall...be less than 30 days after the mailing of the ballots" by the Secretary. (B, Art. IV, sec. 2)

Comments

Shouldn't Art. I, sec. 1 (b) and (c) be changed to comport with (a): i.e., the Membership Committee rules on eligibility for all categories of members, subject to an appeal to the Executive Committee?

The Local Arrangements Committee, in consultation with the Executive Committee and the Program Committee, makes arrangements for annual meetings.

C. Standing Committees

1. Constitution and Bylaws Committee

Comments

Suggestions for amendments may be submitted to the Committee by the Executive Committee, or by an individual member or members. The Constitution and Bylaws Committee may also initiate its own proposed amendments.

Art. IV, sec. 1 of the Bylaws states that the Secretary of the Chapter is responsible for sending notice of amendments to the members. That section also specifies that proposed amendments be filed with the Secretary. Since the Constitution empowers the Executive Committee to propose amendments to the Constitution, and since the members of the Constitution and Bylaws Committee are appointed by the President, the recommendations of the Constitution and Bylaws Committee should be submitted to the President, who will provide copies to the Executive Committee. Once the Executive Committee has approved the recommended amendments (with or without charges), the President will "file" these proposed amendments with the Secretary.

Amendments proposed by a petition signed by ten percent of the members are to be filed directly with the Secretary.
Constitution and Bylaws Committee

The Constitution and Bylaws Committee is a standing committee under Article VII, section a. of the Constitution. Its primary function is to review the Constitution and Bylaws of the Chapter and to prepare drafts for their amendment and revision.

1. Proposals. Under Article IX of the Constitution, amendments to the Constitution may be proposed by the Executive Committee or by petition signed by ten percent of the chapter membership. There are no similar requirements for amendments to bylaws.

2. Notice. In drafting amendments or other changes to the Constitution or Bylaws, the Committee needs to schedule its work in consideration of the thirty day notice requirements under Article IV of the Bylaws. Any proposed amendment must be mailed to the membership at least thirty days prior to either a mail ballot or a ballot scheduled for a chapter meeting. To schedule the Committee's work, the chair needs to be conscious of the dates of chapter meetings and to know from the president how much time will be needed for Executive Committee consideration and to prepare the final proposals for mailing.

3. Committee Procedures. To facilitate the Committee's work, the chair should make sure that all Committee members have copies of the current version of the Constitution and Bylaws. Because the Committee members will probably be separated geographically, most of the Committee business will be conducted by mail. The chair determines how best to organize the Committee's work in light of the amount of business and time considerations.

S.E.A.L.L. Constitution and Bylaws Committee

STATEMENT OF FUNCTION

The Constitution and Bylaws Committee is a special committee created as necessary, according to the SEALL Constitution, Article VII (b). The SEALL President can appoint the committee for many reasons, the two most important of which are:

(1) to draft amendments to the Constitution and/or the Bylaws as directed by the Executive Committee (or members thereof), or by petition signed by 10% of the members (SEALL Const. Art. IX);

(2) to study the Constitution and Bylaws and propose changes that need to be made to clear up ambiguities or to clean up language.

The committee does not conduct ballots, nor is it responsible for sending notice of proposed amendments to the members. These are functions of the Secretary/Treasurer.
PROCEDURES

1. The Committee is appointed by the President of SEALL.

2. The need for an amendment and the reasons behind this need are communicated to the Committee Chair by the Executive Committee, or a member of it, or by petition of 10% of the members of SEALL.

3. The Committee Chair requests an up-to-date copy of the SEALL Constitution and Bylaws from the Secretary/Treasurer.

4. The Chair distributes a copy of the up-to-date Constitution and Bylaws to committee member(s). The Chair reports to the member(s) the reasons given for needing the amendment.

5. Most of the drafting work of the Committee can be handled by mail. The most workable mail procedure is: a committee member drafts a version of the proposed amendment. This draft is submitted to the other member(s) for correction, amendment, or complete or partial revision. The corrected or revised draft is sent back to the rest of the Committee for comments.

6. If there are no disagreements, this process can be speedily handled by mail. If there are short time limits or fundamental disagreements in wording, telephone calls are used to clear up any problems as rapidly as possible.

7. It is the Chair's responsibility to clearly communicate time limits to the committee member(s).

8. When a draft is agreed to by the Committee, it is submitted to the Secretary/Treasurer by the Committee Chair. It is the responsibility of the Committee to submit the proposed amendment within the time specified by the Executive Committee or other requestor.

9. Once the Committee is constituted, it is also empowered to examine the Constitution and to bring any problems it finds to the attention of the Executive Board.

2. Membership Committee

Constitutional and Bylaw Provisions

Determines eligibility for individual membership. (B, Art. I, sec. 1 (a))

Comments

See comments under Executive Board, above.

Actively recruits new members.
Membership Committee [SEALL]

1. Get current membership list from secretary/treasurer ASAP in September, if possible, and no later.

2. Check SEALL membership against the current AALL Membership Directory.

3. Since we just did this in April, 1985, I would suggest that new solicitation letters be sent only to those not contacted in April, 1985.

4. Brochure should be developed to be used with solicitation letter and for sending to law firms within region to enlighten attorneys.

   [See file & contact Pat Strougal for example]

Membership Committee 1984

A letter was sent to former members suggesting they renew SEALL membership. The following steps were followed in preparing the mailing list and letter:

1. The secretary/treasurer sends membership committee a list of previous year’s membership with marks by those who have not paid current dues.

2. The AALL directory is checked against the membership list for any names of people in the SE area who are not current members.

3. A letter is sent to those names garnered from the above source. (example of letter on following page)

Suggestions:

A more timely reminder would probably be more effective; this year’s went out in February. If the membership lists (previous year and current) were sent to the committee about 2 months after dues are due, the committee could probably send out the "reminder letter" in September. Not only would there still be 9 months of membership left, since September is the beginning of the academic year, the reminder might prompt those who let things slide during the summer and "gear up" in the fall.

Feedback from the Secretary/treasurer about the number of renewals after the letter is sent would be useful in determining if this is effective.

3. Newsletter Committee
The Southeastern Law Librarian is the official publication of the Southeastern Chapter of the American Association of Law Libraries. The newsletter is published quarterly in September, December, March and June. Outlined below are steps followed in the publication process of the newsletter, information regarding the composition of the editorial board, and various policies adopted by the editorial board.

I. EDITORIAL BOARD

A. Editor

The editor of the newsletter is named by the current President of the Southeastern Chapter in consultation with the Vice-President/President-Elect. The editor serves a two-year term.

B. Staff

Other members of the Chapter are solicited to write for the Newsletter. Three members serve as correspondents for the "Online Update" column; two members coordinate the "S.E.A.L.L. BRIEFS" section. The Placement Committee regularly submits a column for the job opportunities. The Secretary of the Chapter and the Treasurer of the Chapter submit their reports and minutes for publication in the newsletter. Other members, like the Program Chair and the Local Arrangements Chair, are asked to write articles about the annual meetings.

Members of the editorial board are solicited in several ways. At the beginning of a new editor's term, he or she should review the current positions necessary for the publication of the newsletter. Where appropriate, the current members who write for the newsletter are called and asked if they would like to continue writing the column. If they decline, the editor should ask for recommendations of other persons to write the column. Volunteers to write for the newsletter are solicited at chapter meetings and through the newsletter.

C. Advertising Manager

The Editor names a person who serves as the Advertising Manager who is responsible for soliciting advertisements and regularly reporting the status of the advertisements to the Editor.

II. PRODUCTION OF THE NEWSLETTER

A. Copy and Graphics

There are several regular columns in the newsletter. Those columns are:

President's Column
Editor's Corner
S.E.A.L.L. BRIEFS
Placement Column
Online Update
A question and answer column has been suggested by Kathy Heberer. She recommends that a question from a law librarian appear in one issue with their suggestions/recommendations regarding how to handle the situation described in the question.

Feature articles are solicited from members of the Chapter. Examples of feature articles are the summaries of the chapter annual meetings, tax regulations and gift books, and a series of computer use articles.

Each article and/or column is typed using word processing software. After final editing, the articles are formatted into a two-column per page design. Copy is adjusted to provide space for advertisements and graphics. The editor and his/her assistant "cut and tape" the articles, graphics, and advertisements into place. Standard headings, like the newsletter masthead, the column headings, etc., are copied from an old newsletter and taped to the new copy. (Note: Use of tape on the copy does not interfere with the printing process.) The original paste-up of the Newsletter plus one copy is sent to the printer.

B. Advertisement

The newsletter accepts business card size advertisements. Each publisher/advertiser pays $100.00 for its business card to appear in four issues. Advertisements for Law Book Exchange (the printer of the newsletter) are also included in the newsletter. Seven publishers/book dealers advertised in the last volume of the newsletter.

An agreement between the Chapter and Law Book Exchange prohibits the Chapter from accepting advertisements from book dealers in direct competition with LBE. The agreement should be reviewed periodically to determine if the Chapter wants to continue the printing arrangement with LBE. The agreement should be reviewed periodically to determine if the Chapter wants to continue the printing arrangement with LBE.

C. Deadlines

The editor in consultation with the President of the Chapter sets the deadlines for each issue. For the last two volumes the following have been followed.

- First of Month - Copy submitted to the Editor
- 15th of Month - Newsletter sent to LBE for printing
- By end of Month - Newsletter sent to Chapter members

D. Printing and Mailing

Law Book Exchange is responsible for the printing and the mailing of the newsletter. The primary contact person with LBE is Cheryl Miller. The correct mailing address is:

Law Book Exchange
Post Office Box 24990
After printing, Law Book Exchange mails the newsletter to chapter members with labels provided by the Secretary of the Chapter. It is important to correspond with the Chapter secretary to coordinate the receipt of the labels by LBE at the time necessary for labelling and mailing. The newsletter is mailed under the bulk mailing permit of LBE; a bill for the charges is mailed to the Treasurer of the Chapter.

III. BACK ISSUES OF THE NEWSLETTER

All back issues of the newsletter are stored with the current editor. Several calls each year are received by users who wish to obtain back issues.

A Vice-President/President-Elect is elected every year. A Secretary and a Treasurer are elected for two-year terms. (B, Art. III, sec. 1 (a))

Comments

It is current practice for two competing candidates to be nominated for each office. The names are submitted to the President who seeks Executive Board approval for the slate and forwards the names to the Secretary for preparation of the ballot. (See the section on the President above for a timetable.)

Although the Constitution does not so specify, the Secretary and the Treasurer have been elected in the same year.

Southeastern Association of Law Libraries

NOMINATIONS COMMITTEE PROCEDURES

The Nominations Committee shall solicit two candidates for the positions of Vice-President/President Elect (1 yr. term), Secretary (2 yr. term), Treasurer (2 yr. term). The Committee invites the entire SEALL membership to submit names of potential candidates.

Once names are submitted, the Committee will seek as much information as possible on each person's qualifications. The Committee will pay particular attention to the following information on each candidate:

- SEALL Association activities
- Institution (Academic, Firm, Court, etc.)
- Professional Experience - activities
- Desire to serve

If necessary, the Committee will request a resume in order to determine the person's qualification. To the extent possible, the Committee will attempt to provide a slate of well qualified candidates that represents different types of law libraries.

The Committee must present its slate to the President by April 1. The Committee shall prepare for the election, by obtaining a biographical sketch of each candidate which will be forwarded to the Secretary for inclusion in the ballots.

The responsibility of the Nominations Committee is to each year recommend candidates for elected office in the Association. The nominating process usually consists of the following steps.
Soon after the appointment of the full Committee by the President, the Committee chair contacts other Committee members for suggestions for nominees. It has also been worthwhile to contact the chair of the preceding year's committee for individuals that group may have considered but not been able to recommend; similarly, the chair should contact the Past President, the current President and the Vice-President/President-Elect for suggestions they might have.

Those recommendations should then be shared with other members of the Committee who should also submit any suggestions they have.

The chair then normally prepares a composite list of suggested names and asks for a ranking by committee members.

Depending upon the results, the chair may need to contact committee members individually or as a group if there is not a consensus.

It is then the responsibility of the chair to contact the individuals suggested, in priority order, to seek their agreement to run for office.

Once nominees have agreed, the chair writes to the President of the Chapter, with copies to the other members of the committee indicating who the candidates for the upcoming election will be. Some Committee chairs have copied this letter to the individuals nominated as well.

The current Bylaws require that only one candidate be nominated for each of the two elected positions, Vice-President/President-Elect and Secretary/Treasurer. In both 1984 and 1985, however, the Nominations Committees have, of their own choosing, nominated two candidates for each office.

To serve as a vehicle to assist libraries in identifying potential librarians.

To serve as a source of information for placement activities within the profession of law librarianship; the relationship of the AALL Southeastern chapter placement committee and the national placement committee; the advertisement of jobs; and registration with the national placement committee.

1) Assisting job seekers to identify potential employers:

The placement committee will:

   Establish a network of information sources about available jobs.

   Advertise purpose of the committee.

   Give job seekers the names of libraries seeking librarians and encourage contact between employer and librarian.

   Give names of networking placement librarians to job seekers.

   Give information to job seekers concerning registration with the national placement committee.

2) Assisting employers to identify job seekers:

The placement committee will:

   Give employers the names of job seekers (if the job seeker so requests) and/or encourage contact by the job seeker.

   Give information to employers concerning placement lists, deadlines for advertising in national and chapter publications and the national placement committee members names and addresses.

3) Information about the law library profession; the national and Southeastern chapter placement committee; the advertisement of jobs; and registration with the national committee:
Some individuals and libraries contacting the placement committee will not be members of AALL or of the Southeastern chapter. The placement committee and networking libraries will give information about both organizations or will have the information sent to the inquirer. The following sources may be consulted for information:

1. "Introducing the American Association of Law Libraries" (AALL, September 1983)

3. Back issues of the Southeastern Law Libraries and AALL Newsletter

4. The AALL Southeastern Chapter President

The chair of the national AALL Placement Committee maintains a file of positions available. Available positions may be advertised in the AALL Newsletter, which is published monthly. The deadline for listing a position is the second Monday of the month prior to the publication. In addition, the monthly "Placement list" published by AALL is sent to the Southeastern Chapter Placement Committee Chair. This "List" advertises positions that have become available since the last newsletter.

The Southeastern Law Librarian (SLL), the official organ of the Southeastern Chapter of AALL, also publishes position announcements in each issue. The SLL is published quarterly:

1984-85 Deadlines: November 15 for Winter issue 1984  
February 15 for Spring issue 1985 
May 15 for Summer issue 1985 
August 15 for Autumn issue 1985

To place an announcement in the SLL, a SLL committee member must be contacted.

1984-85 SLL Committee Members:

Mary S. Bourget, Co-Chair
Akerman, Senterfitt & Eidson
17th Floor, CNA Tower
P. O. Box 231
Orlando, Florida 32802

Hazel L. Johnson, Co-Chair
Smith & Hulsey
500 Barnett Bank Building
Jacksonville, Florida 32202

The placement Committee serves as a source of information concerning SLL deadline dates and as a "register" of available positions prior to publication of the SLL each quarter.

Individuals may have their resumes available to prospective employers by registering with the national placement committee. The
registration forms of individuals who have registered with the national committee and who indicate an interest in obtaining a position in the southeast are sent to the Southeastern Chapter Placement Committee. There is a periodic follow-up to remove the registration forms of those who have accepted employment. The Southeastern Placement Chairman also has these forms available for the individual. When contacted by a job seeker, the chair or networking librarian will gather as much information about the individual as possible. Then the network of librarians will be utilized to gather information about the job market to match job seekers with job openings.

The networking concept is more flexible than the previous methods employed by the Southeastern placement committee. The purpose of creating this flexibility is to enable information about jobs and job seekers to travel along the network quickly and with a minimum of paperwork.

6. Program Committee

PROGRAM COMMITTEE

The Program Committee begins its formal activities with the election of the Vice-President/President-Elect who serves as the Committee Chair. The Chair chooses the members of the committee, striving for members from each of the types of libraries represented in the organization. Typically, the committee would include a law firm librarian, a university librarian, a court librarian and a corporate law librarian. Additionally, a member of the Local Arrangements Committee acts as a liaison between the two committee. This has proven to be extremely helpful in communicating between the two committees and in helping the Program Committee draw on local talent and thereby keeping speakers' expenses low.

Initial decisions regarding whether or not to schedule concurrent programs and discussion groups are made in conjunction with the Local Arrangements Committee and are greatly dependent upon the availability of rooms in the convention hotel. It is very helpful for the Chair to have a copy of the hotel’s floor plan and to generally discuss room arrangements with the hotel’s convention planner. This should be the extent of the Program Committee’s contact with the hotel. The decision regarding luncheons/dinners with or without speakers is also one which must be made in conjunction with Local Arrangements. Additional meetings which have traditionally been held and must be worked into the programming schedule are the SOLINET users meeting (traditionally hosted by SOLINET); the Executive Board meeting, the Business Meeting; and the Southeastern Library Consortium. Time must also be allocated for SEALL committee meetings.

The methods used to determine programs and scheduling will depend upon the personality and work habits of the Chair and Committee members. One variation is described in the Appendix to this report.

Once program topics are chosen, the Committee divides the programs among themselves with each member being responsible for scheduling
speakers for their share of the programs and discussion groups. Committee members are "on their own" (with some guidance from the Chair) to locate speakers and coerce them into participating. It is the Chair's responsibility to keep the Committee's efforts in obtaining top quality speakers in line with budgetary restrictions. Committee members are requested to maintain written and telephone contact with speakers and to provide them with specific guidance in the development of topics. The Committee should provide the Chair with copies of all correspondence. Local Arrangements should also keep the Program Committee informed regarding its preparations through the Program/Local liaison or through direct contact.

In the past the allocation of chapter funds for speakers who were not members was sometimes inconsistent. A few speakers received very substantial sums either as honoraria or reimbursement for airfare, hotel and meal expenses simply because they asked for it. Other equally-worthy speakers who made no demands sometimes received nothing. Recognizing the awkwardness of such situations, recent program committees have striven to develop a fair and consistent policy regarding speakers' expenses. Both for the sake of economy and to foster diversity on our programs, program committees have begun following the practice of recruiting non-member speakers primarily from the locale of the annual meeting. This not only saves on travel costs, but often carries the public relations bonus of introducing SEALL to members of the local legal community from which the speakers are drawn.

Reimbursement of speaker expenses has been and will remain dependent upon the location of the meeting. Local speakers do not require the same reimbursement offer as those who must travel. The prevailing feeling of the Local Arrangements Committee must also be relied upon. Previous Committees have not felt it necessary to offer any form of compensation, while other have felt a small honorarium was in order. If travel expenses are to be reimbursed, they should be limited to travel (airfare or 20 cents per mile), meals for one day and lodging for one night. Honoraria to speakers should not exceed $200.00 without approval of the Chapter's Executive Committee. Either honoraria or travel expenses will be offered, depending upon circumstances. The Registration fee for speakers at major programs will be waived for SEALL members. The fee will not be waived for discussion group leaders, who traditionally are Chapter members. The Chair will furnish to the Local Arrangements Committee an estimate of anticipated speaker expenses.

The Program Committee is responsible for providing Local Arrangements with all information regarding speakers' needs for audiovisual equipment and other aids. Never assume there will be a podium or any other equipment at the meeting site. Ask if the speaker requires anything and be sure to tell Local Arrangements. The preparation of meeting location signs and speaker name signs is also the responsibility of the Local Arrangements Committee, but should be coordinated with Program.

During the meeting, each committee member takes the responsibility for introducing his/her panels of speakers. Obtaining the appropriate biographical information and organizing it for
introduction is also the responsibility of the Committee member. This can be reassigned by the Chair if a member is unable to attend the meeting.

Speaker reimbursement requests will be sent directly to the Chair of the Program Committee for review. The Chair will be forward the requests to the Local Arrangements Chair for payment.

The Chair will send letters of thanks to all speakers and discussion group leaders, and will prepare a written report summarizing the committee's activities. The report will include recommendations for future programs and any other information thought necessary.

APPENDIX

A timetable (copy attached) was established by the Chair to insure all tasks were completed by early January for submission of the completed program schedule and speakers to the Local Arrangements Committee in time for mailing. The Committee was provided with a descriptive list of topics which had been suggested previously. The Committee was asked for comment and additions to the list. The Chair then prepared a ballot (copy attached) and each committee member assigned votes on a scale of 10 to 1 (most favorable to least favorable). The votes were tallied and those programs receiving the highest totals of votes were chosen for presentation as panels or discussion groups, depending upon the content. The scheduling of programs was based on the availability of outside speakers (large attentive groups are desirable), and whether there was a balancing program to run concurrently.

1. Education Committee

SOUTHEASTERN CHAPTER - AALL

EDUCATION COMMITTEE

REPORT

The SEAALL Education Committee was charged with constructing a plan for a series of education programs. In reviewing the work of the Special Education Committee and discussing by memo and phone, this Committee recommends the following:

1) The Education Committee recommends that the Vice President/President-Elect appoint a Workshop Director to plan a one day workshop to be held generally at the time of the SEAALL Annual Meeting. This person would coordinate topics and speakers with the Program Chair to avoid problems of duplication and conflict.

2) The Education Committee endorses the concept of one day workshops and encourages the Board to repeat these programs in areas where there is a high concentration of individuals who typically cannot travel to an annual meeting.

3) The Education Committee recommends the following subjects be considered as workshop programs:

First preference: Management
Personnel management
Personnel accountability
Staff development
Motivating senior employees

Second preference: Legal Reference
Providing skills to clerks
Legal reference to the public
Legal reference v. practice of law
Bibliographic instruction outside the classroom

Third category: Special legal topics
Drug testing
Aids in the work place
Coastal developments

4) The Education Committee recommends the following locations be considered for these workshops:

Miami/Tampa/Orlando
Charlotte
Winston/Salem, Durham or Raleigh

5) The Education Committee recommends that SEAALL offer an honorarium to its speakers to be funded by increasing the
registration fee.

6) Furthermore, the Education Committee recommends that because of the cruise scheduled for 1989, an enhanced regular meeting rather than a separate workshop be offered. The Education Committee encourages the development of a program to be offered on one day of the cruise and which will deal with personnel management issues.

Dear Sally:  

Thanks very much for agreeing to serve as chair of the SEAALL Education Committee for 1987-88. Enclosed is a list of the members of your committee with their professional affiliations.  

As we discussed on the phone and as is pretty evident from the education survey, I think the chapter’s focus on additional educational activity should be in the nature of one-day programs; ideally a "canned" program with standard outlines and materials that would travel easily. I would like for your committee to construct a plan for a series of such programs, with the ultimate goal being to hold the first ones in 1988/89. Among the items which I think need to be addressed initially are:  

1) Topic -- basic or advanced, law firm, academic or general orientation  

2) Location -- central to a large group of librarians, with individuals willing to assume local responsibility, number of different locations  

3) Registration -- I think the chapter could subsidize this program for awhile, I'd like to see it become a "break-even" situation, but I think we'd like to keep the fees as low as possible at the same time  

4) Speakers -- local or imported, compensated or not, how much, by whom (chapter or registration fees)  

5) Format -- half-day, one-day with lunch, one-day lunch on your own  

6) Program materials -- who produces, do we borrow from previous AALL programs (i.e. Dallas reference institute)  

If we organize this up carefully, I think we can set a pattern for it to be repeated each year with different topics. Does this give you an outline of what we are looking for? If not, I'll be happy to talk with you at length at your convenience.  

Sincerely,  

Hazel L. Johnson  
President
