Dean Katherine,

I wish to

I'm sorry this took so long. I combined the into letter & the speaker letter, and I will follow up with another letter & phone call.

Thanks!

We would like to encourage your students to consider the legal field as they make their career choices. This is a very dynamic area and offers opportunities to work as part of a large academic or law firm staff or as an individual in a one-person law library. Law libraries are frequently on the cutting edge of library technology and information management.

One way in which we propose to expose you and your students to law librarianship, as well as to SEALL, is to offer a speaker for "Career Day" or a special libraries class. Please contact me if you are interested and we will discuss the details.
Dear Dean Helm:

I wish to introduce you and your students to the Southeastern Chapter of the American Association of Law Libraries. We are an organization of librarians who are employed in court, law firm, corporate law department, and law school libraries. Our membership encompasses over 500 individuals from the twelve southeastern states and Puerto Rico.

We encourage student membership in the association and I will be happy to forward copies of our membership application forms. A subscription to the quarterly newsletter The Southeastern Law Librarian is included in the membership fee. It contains articles discussing the chapter's activities, legal research source materials and placement notices.

I will be in touch throughout the year with additional information about our activities. Please call if you, your faculty or your students have questions about SEALL or law librarianship.

Thank You for your time and attention.

Sincerely,

Clare A. Donnelly
