Dear Dean Summers:

I wish to introduce you and your students to the Southeastern Chapter of the American Association of Law Libraries. We are an organization of librarians who are employed in court, law firm, corporate law department, and law school libraries. Our membership encompasses over 500 individuals from twelve southeastern states and Puerto Rico.

We would like to encourage your students to consider the legal field as they make their career choices. This is a very dynamic area and offers opportunities to work as part of a large academic or law firm staff or as an individual in a one-person law library. Law libraries are frequently on the cutting edge of library technology and information management.

One way in which we propose to expose you and your students to law librarianship, as well as to SEALL, is to offer a speaker for "Career Day" or a special libraries class. Please contact me if you are interested and we will discuss the details.

We encourage student membership in the association and I will be happy to forward copies of our membership application forms. A subscription to the quarterly newsletter The Southeaster Law Librarian is included in the membership fee. It contains articles discussing the chapter's activities, legal research sources and placement notices.

I will be in touch throughout the year with additional information about our activities. Please call if you, your faculty, or your students have questions about SEALL or law librarianship.

Thank you for your attention.

Sincerely,

Clare A. Donnelly  
Assistant Librarian
