Re: Publications Committee

Dear Ms. Holcomb:

Thank you for your letter of March 28, 1989, and a copy of the procedures manual material. We are going to send pieces of it through the scanning equipment to see how well it works.

I would be happy to be the general editor of the state practice materials bibliography project if the organization wants to go forward with it. I recently received a copy of Bob Doyle's book covering state practice materials for all fifty states. Bob is Law Librarian at Loyola University of Chicago. The only disadvantage with Bob's text is that it does not include annotations, however, it would assist anybody attempting to get started on this project with location of material. I look forward to seeing you in Miami.

Sincerely,

Ed
