The last speaker, Susan Lisi, Law Librarian at Hunton & Williams in Atlanta, was not able, due to technical difficulties, to show us her firm's innovative web-based associate training program. It is offered over the firm's Intranet and allows the associates to train at their own pace. It saves the firm time and resources, is easily updated, and seamlessly introduces clerks and associates to internal and external resources available from their desktops. She echoed much of what the previous speakers had said about the value of research refreshers before summer employment.

Having recently moved from the private law firm environment to an academic library, where I taught my first formal full length course in legal research this spring, I came to the program with a newly acquired appreciation for the difficulty of teaching practical research skills in law school. I came away with ideas for improvements in this area at my own law school, so that our graduates are better equipped when they become clerks and associates. What more can you ask from a professional development program?

PROPOSED BYLAW CHANGES

by

Donna Bausch

Life Membership

Pursuant to a recommendation from the Membership Committee, the Executive Board voted to recommend to the membership that the bylaws provision dealing with life membership be amended to read:

The Chapter may at any regular meeting by a vote of two thirds of those present elect to life membership those who have been members of the Chapter for at least ten years who have reached the age of fifty-five, have retired from active full-time library work, and have a record of substantial service to the Chapter.

The intent of this change is to make life membership a more meaningful honor. Nominations will be solicited by and submitted to the Membership Committee for their review prior to submission to the Executive Board.

Immediate Past President & Directors

The Immediate Past President is listed as a member of the Board in the Bylaws but not the Articles. The proposed articles amendment seeks to remedy this apparent omission.

Based on information gleaned from Chapter Roundtables, the Chapter Presidents' Listserv and experiences in other chapters, the Executive Board recommends an increase in the size of the Board. Many other chapters have a larger Board which permits the appointment of liaisons to committees and other functions which SEAALL's limited number of officers have not been able to assume. The addition of two directors serving staggered two-year terms will allow SEAALL to undertake a wider variety of projects.

Proposed Articles Amendments: Add Immediate Past President and two Directors to those positions listed as officers in Article IV, Section 1 - Officers, as follows:

The new provisions will read (changes in bold):

The officers of the corporation shall consist of a President, Vice-President, President Elect, Secretary, Treasurer, Immediate Past President and two Directors...The secretary, treasurer and the directors shall each serve for two years.

If the office of secretary, treasurer or director be comes vacant...the president will be empowered to appoint a successor...)

Proposed Bylaws Amendments:

The treasurer and a director shall be elected...

The membership will be asked to vote on these proposals at the breakfast business meeting in Anaheim.
