FOREWORD

This marks the 12th consecutive year we have come together to spend the day discussing “Practical Grazing Issues”. I am delighted to have the support, encouragement and assistance for this years’ conference. The program committee has assembled a great group of speakers covering a wide array of timely-practical topics relating to grazing in Kentucky.

I want to extend a special THANKS to all speakers and exhibitors. Special thanks to Christi Forsythe for handling all the details concerning program and proceedings.

Special thanks are extended to Dr. Jack Rudolph, Dr. Linda Gonzales, Mr. Tim Jones and all the faculty, staff and students at Western Kentucky University.

I do hope the discussions of the day will be of value to you and your grazing program.

Garry D. Lacefield
Program Chairman
