Dear Mr. Bissett:

On behalf of the Florida Library Association, please convey my sincere appreciation to the Southeastern Chapter of the American Association of Law Libraries for their generous contribution of \$1,059.60 to the Florida Library Association's hurricane fund.

As you know, all donated funds are distributed to libraries that need assistance in their recovery efforts. We will contact the State Library and Archives of Florida to identify the libraries that are in need and distribute your donation as soon as possible. Be assured, your donation will be appreciated by the receiving library and will accelerate their return to full service.

Florida has been, for the most part, spared from a serious windstorm so far this year. But, we are still in the peak period for hurricanes. And, unfortunately, it only takes one storm to create severe damage. Florida libraries have been fortunate, receiving incredible support from library associations, library workers, and the public in our times of need. The financial support coupled with the knowledge that we also have the library community's moral support ensures Florida libraries will soon be back, serving the public, and even better than before.

Once more, my sincere thanks on behalf of the Florida Library Association and its members to your Association and members for helping us rebuild. We will be forever grateful.

Sincerely,
