Re: Monthly Update on Committee Activities

As you may recall, our original schedule called for a letter discussing the Eliot scholarships to go to the library school deans in January. The scholarship committee is in the process of revising the guidelines for awarding scholarships at the present time. I'm not certain when they will be finished with that process, but it doesn't seem like a good idea to provide the deans with inaccurate information. As soon as I have the new guidelines, I will send you a "dean letter". This may not be until sometime in January. I hope you have had some response from the library schools. Please let me know.

I have received one draft for the chapter resume. These were due December 1 and I anticipate receiving the remainder of the drafts before I leave town on December 22. Your cooperation on this would greatly appreciated.

Letters were sent to all state library associations early this month. The tone of the letters was one of cooperation and "getting to know you". Further correspondence regarding the annual meeting will be going out early next year. A copy of one of the letters is enclosed.

A copy of the article which was sent to the AALL Newsletter was inadvertently left out of my last mailing to you. It is enclosed here.

PLEASE GET THOSE RESUME DRAFTS TO ME AS SOON AS POSSIBLE. I don't want to work on this over the holidays either.
