Dear Winston:

I am writing to make a little inquiry about the progress of the work of your N.C.L.A. Committee on Constitution and Codes.

Although there is some time left in the biennium, the operation of the necessary machinery will take some doing. By this I mean that proposed changes must be submitted to the Executive Board and then mailed to the general membership at least thirty days before the Conference at which a vote would be taken. It is therefore indicated that the material be in my hands as early in the summer as possible, so I can make arrangements for a Board meeting within the time limits.

I hope that all has gone well and that the changes you had in mind have jelled sufficiently to make definite proposals possible.

Sincerely yours,

Carlton P. West  
President, N.C.L.A.
