Dear Dean Speller:

I am writing on behalf of the Southeastern Association of Law Libraries Publicity and Public Relations Committee. The Committee again this year wants to keep you and your students apprised of our programs and activities.

The annual SEALL meeting will be held in Tuscaloosa, Alabama in mid-March. The tentative program title is "Dialogue with Library School Faculty and Dean", featuring the faculty and dean from the University of Alabama Graduate School of Library Service. Recruitment issues as well as information on law librarianship as a profession will be addressed.

Preceding the annual meeting will be a one day institute on copyright in libraries. This institute is scheduled for March 14, also in Tuscaloosa.

As these program agendas and registration forms become finalized, I will send that information to you.

SEALL is very interest in informing your students of the career opportunities available in law libraries. Our meetings and institutes provide an excellent means for networking with law library directors and other librarians in academic, law firm and government libraries.
If you need additional information about SEALL or the law library profession, please feel free to write or call me.

Sincerely,

Constance M. Matzen
Librarian
