RE:    Selection of winners of the three Lucile Elliott Scholarships

I am late in sending you the scholarship applications this year but I have been sick and just returned to my office today. This means the announcement of the winners by March 1 will have to be delayed a few days.

Since it had already been decided that the $600 allocated for the year 1978 was to be divided into three scholarships of $200 each, we have the difficult task of choosing the three winners from five applicants. Please rank the five applicants by giving 5 points to the person of your first choice and on down in reverse order. I will tally the results and the three people receiving the highest number of votes will receive the scholarships.

Could I please have your results by March 1. You do not need to return the copies of the applications and reference letters.
