Dear Tim,

Many thanks to you (and Wes) for sending the summary sheets for the evaluations from the 1990 SEALL Annual Meeting. Thanks, also, for adding your comments to those of its participants.

We’re slowly building up enough data, recommendations, etc. to justify the programming for the long-envisioned database — it will happen! Meanwhile, only one of you who let me know about what works best at the chapter level.

Thanks again for thinking of headquarters!

Sincerely,

Martha Brown
Jim - what I forgot to mention was - it looks like it was a terrific meeting - good program & good-sized crowd!
