Dear Carol:

Congratulations on the completion of your term as President of the Southeastern Chapter. It's been a great year and I believe the Chapter has moved forward tremendously during your term. I personally have enjoyed working with you and really appreciate the encouraging (and comforting) remarks from time to time about the perils of newsletter editorship.

For the next issue of the newsletter would you be interested in an article of reminiscences about the year including the meeting in Chicago. Although your last column included some reflection on the past and some looking forward, you might have some additional comments or maybe some challenges for the Chapter after the Chicago meeting. I think this type of article from the past president might be a nice companion piece to Hazel's column from the President. The deadline for the Fall issue is August 15, 1987. Please let me know if you think this type of article would be appropriate and if you have the time to complete it.

Thanks for helping us to resolve the issue of advertisements. We will move forward and contact the previous advertisers about renewing their contracts.

Thanks.

Sincerely,

Timothy L. Coggins, Editor
