Dear Sarah:

In response to your letter of September 30, 1969, I really do not have any preference for anyone as a member of the committee. I am sure it would save time if I could invite two members, but I am not familiar enough with the Chapter membership to be sure that I would choose the right people. By right, I mean any members that would be willing to work and cooperate and in this respect you are much more qualified to designate them than I am.

Please assign them and let me know so I can contact them and start working on this.

I have not heard from Kate Wallach yet, but I assume I will be receiving the files from previous years any time now.

Sincerely yours,

Mario Goderich
