RE: Scholarship Committee Report

DATE: January 30, 1992

Enclosed you will find the announcement of the winners in this year's Lucile Elliot Scholarship Competition for inclusion in the Spring edition of the Chapter newsletter.

This year 18 chapter members applied for scholarship assistance asking for a total of \$43,339.00. As a consequence of the large pool of qualified applicants and the fact that the committee had only \$3,000.00 at its disposal, none of the 10 awards given matched the amount the individual applicants requested.

In spite of the fact that all the awards offered provided only partial funding, all winners accepted their awards and agreed to provide the committee with a report on how their scholarship money was used. Each recipient also agreed to provide a written summary of the activity and the benefits derived from their participation which will be submitted to the editors of the Southeastern Law Librarian for possible publication in the newsletter at the Editors' discretion.

Because one of the primary purposes of the award is to encourage participation of newer chapter members in chapter activities, the scholarships are awarded on a 70:30 newer members to older members ratio.
