Disclosures
By Micheal Palmer

1

Beneath the writing on the wall
is the writing it was designed

to obscure. The two together
form a third kind

2

There is no writing
on the wall's other side

Perhaps this lack
constitutes a fourth kind

3

Some of the writing on the wall
will be designated as truth

some as art

4

It is said to represent a mirror
of everyday life in its time

5

"Fabius Naso
talks through his asshole
and shits out his mouth"
for example

6

"Foute les Arabes" for example

7

Certain words and images
or parts of images

have been chipped away
These often turn up for sale

at sidewalk stalls
before the walls

of other cities

8

I too have an image for sale
It's the image of a poem

and is to be found
on the reverse of this sheet

to Brecht
