Dear Wes:

Enclosed are the files for the Scholarship Committee. I have attached Marguerite Florent's comments. Herb Cihak called to tell me he agreed with most of the proposals, but felt the question on educational background was unnecessary and questioned whether someone would give preference to one school over another. I don't believe that would ever happen and said so to him. I just pass it on for informational purposes. I think everything is in pretty good order. However, if you have any questions, I can be reached at 3408 Bonaparte Way, Durham, NC 27707; 919-493-1347. Thanks very much for taking this over. If I can help at all, please don't hesitate to call.

Sincerely,

Hazel L. Johnson
