Dear Tim:

Thanks so much for your letter. All the librarians here appreciate your patience and ability to take over and make the necessary decisions under difficult situations. We are all grateful that everything went so well. I am sure your involvement in the decision making process in the beginning played a big part.

I appreciate you inviting me to sit at the head table for the luncheon. I must admitt that I had a smile on my face as I waved good-bye to last bunch of librarians to leave but all in all it was a fun experience. I look forward to working with you in the future.

Please tell Hazel I said Hello!

Sincerely,
