Dear Tim,

Hi! I received the newsletter yesterday morning and delivered it to the printer this morning. Due to the Labor Day holiday Monday, I begged him to have it back to me by Friday. Keep your fingers crossed!

We had a couple of minor problems with the original of this issue. First, the ads that you had placed in there appear to be copies of the original camera-ready prints. Every time you use a copy of an original (or a "second generation" copy), it loses some of its clarity. I replaced a couple of ads with their more clear copies that I had on hand.

You might take the original ads sent to you by the various advertisers and have camera-ready copies made (such as the ones enclosed)... Which brings me to the second minor problem: our old ad was put in this issue (P.O. Box 17073). I went ahead and replaced it with the new one and am sending you several copies for future use.

I’ll be sending you the extra copies as soon as they are available. Wish me speedy luck!

Sincerely,

Cheryl
