This Welcome is brought to you for free and open access by the Office of Undergraduate Research at UKnowledge. It has been accepted for inclusion in Kaleidoscope by an authorized editor of UKnowledge. For more information, please contact UKnowledge@lsv.uky.edu.

This first issue of *Kaleidoscope* is respectfully dedicated to Professor **Louis J. Swift** who has done more than any other faculty member to encourage and support undergraduate scholarship at the University of Kentucky. Among his many other services to undergraduates, during his tenure as Dean of Undergraduate Studies, Prof. Swift fostered the UK Undergraduate Research and Creativity Awards program, served on the national board of the National Conference on Undergraduate Research (NCUR), and was the driving force behind UK hosting the 2001 NCUR conference.
