Dear Donna and Jean,

The SEAALL Executive Board, meeting in New Orleans at the American Association of Law Libraries annual meeting, approved the suggestion of the Virginia Association of Law Libraries for the two chapters to co-sponsor a program at the 1991 San Francisco meeting of AALL. The program subject, as suggested by VALL, is to reproduce the "Dialogue with a Library School" program which was done at the SEAALL meeting in Tuscaloosa, Alabama but not necessarily with all of the same speakers. This letter is an official agreement between the Southeastern Chapter and the Virginia Chapter to co-sponsor the program.

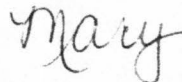

In your July 3rd correspondence to me and Tim Coggins you outlined the proposed program, along with a draft of the application form. I assume you have already submitted this to the AALL Education/Program Committee by the August 15th deadline since the co-sponsorship of the program was announced at the SEAALL Business Meeting in New Orleans.

If our joint program is approved by AALL, I have no problem with you handling the program with your dual chapter status. Both of you did a wonderful job of developing the program

for the SEAALL meeting. If you want support from the SEAALL program committee or need any other assistance, please do not hesitate to let me know.

Thinking positive (!), I look forward to working with you on the joint program.

Sincerely,

A handwritten signature in cursive script that reads "Mary".
