Dear Ed:

Enclosed please find some materials compiled to make your year as chair of the SEALL Constitution and Bylaws Committee an interesting and exciting one. The list of committee assignments is preliminary; Bruce and Sue are being asked to verify their continued interest in the committee by August 1. If there are any changes, I will let you know sometime after that date.

Also enclosed is a copy of Margarette Dye's letter to Ed and me, which you may have received in New York. It outlines the several matters she would like the Constitution Committee to look into. You should be concerned with items (3), (4) and (5). Please plan to have something to report at the time of the meeting in Charlottesville. (I honestly had no idea this was coming up when I asked you to chair the committee.)

One matter that we had discussed and that I hoped to get started on in New York was the question of a permanent location for the Chapter's records. Essentially that was stalled by Lamar's absence, but I did bring it up to the Executive Committee and we will try to get that problem resolved during the coming year.

I have no more business for you. If I can help with anything, let me know. Thanks for your help with the minutes at the Chapter breakfast.

Sincerely,

Richard A. Danner  
Director of the Library  
and Associate Professor of Legal Research
