Dear Lamar:

In Phoenix we discussed the disposition of the Southeastern Chapter records you have been archiving unofficially in your office. I mentioned to you Ed Edmonds' interest in using those files for a possible article on the history of the Chapter.

I am writing to suggest that you forward those files to Ed by whatever means you find convenient and then contact Margarett Dye for reimbursement from the Southeastern treasury. Ed will consolidate the records with material he already has on hand and prepare the whole for permanent disposition at a later date.

I think that the consolidation will be a service to the Chapter as well as having the side effect of benefitting Ed's research.

Thank you for your help.

Sincerely,

Richard A. Danner
