Dear Sarah:

Your nomination of Mary Oliver for a Matthew Bender Award should include as much detailed information as possible about your candidate for the reason that your nomination must be considered by all members of the Committee and from six individuals we must select four as the final winners. You can see that, although I know Mary's qualifications pretty well, I must have your statement to circulate among my Committee. According to my original letter, you will note that we will need all the information on the candidate that went into their selection. Please send letter in triplicate.

Please let me have this by return mail, if possible, as I imagine I will have all candidates by tomorrow or the next day.

Sincerely yours,

Frances Farmer
Secretary
