Attention: Margarette M. Dye

Dear Margarette:

I was in Tallahassee a couple of weeks ago and it seems that all of the folks at the Florida Supreme Court are no longer members of the Southeastern Chapter. They have not received newletters and did not receive notice of the Charlottesville meeting. I could understand one person not paying their dues, but it appears that all three of them (Brian Polley, Joan Cannon, and Jo Dowling) have all somehow been erased from the list. Would you please re­search your records and advise them as to what they owe you in order to pick their memberships back up?

We were discussing the problem while I was there and the feeling is that when a notice about dues being late appears in the news­letter, most people don't think that it applies to them. I realize that we should not have to send out more than one dues notice, but it might not be a bad idea to do a follow-up indi­vidual mailing before dropping people from the list. I am sure we lose a number of our members just by accident. Is there any possibility of doing a mailing of this type before dues notices are sent again?

By copy of this letter to Dick Danner, I am asking that the Board be aware of the problem and, if time permits, discuss solutions.

Sincerely,

Mary D. Smith
Director of Library Services
