Miss Jean Sims,
Ass't Librarian, Law School,
University of South Carolina,
Chapel Hill, N.C.

Dear Jean:

Things seem terribly quiet here this cloudy Monday morning, now that you and Sarah have "run away." I thoroughly enjoyed your little visit with us and sincerely wish that you could have stayed longer. Our weather was hardly a "visiting week-end" but our weather-man is always getting mixed up in his fall weather. I certainly hope that your trip back was uneventful and reasonably pleasant. Janie and the girls all expressed regret that you did not come to see us.

This morning I have written the Bank of Chapel Hill about the transfer of the Chapter account. The carbon of the letter is enclosed for your files. I hope you find ever thing in proper order; if not, let me know.

Enclosed is the newspaper clipping on our meeting. Write up your minutes before you forget what happened and attach this clipping, being sure to make any corrections in the minutes if errors appear in the clipping.

I find my old file on the "Carolinas Chapter", which I set up when it was first organized and before I was an officer. If you dig back into the history, you may want it, but otherwise I will continue it as my personal file. In it I found a copy of the preliminary "Model N.C. Law Library" in which Sarah showed some interest. I am sending her this preliminary draft to show how we went about evolving this list. It may help you in setting up the "South Carolina Model" for your lawyers.

Drop us a line now and then. We miss you and want you to come back again.

Cordially,

Dillard S. Gardner
