Dear Kitty:

Wouldn't you know it - I left for a brief vacation on September 3 and found your scoop on the meeting waiting for me when I returned to the Library this morning, which, incidentally, is also the first day of registration so that you can imagine the state we're in!

However, I have cut stencils of your letter and program schedule and in the interest of saving time since we have no stenographic help, will send several copies of each to all the libraries in the SE Chapter rather than trying to send them to individuals. I do hope that this will not be too late to get the "orders" in to you. It sounds like a most interesting meeting.

We have $488.82 in the treasury at the moment, and should have more if I had requested the regular refund from AALL dues from the Treasurer of the national organization. I'll try my best to do this before the meeting. It seems to me that we could use some of these funds to defray cost of the meetings, but I can scarcely authorize it!

Will certainly look forward to seeing you; while I haven't discussed the trip with the powers that be, we should be there.

Sincerely,

Mary Polk Green
