Dear Nancy:

It is early to begin thinking about the 1975 Chapter Meeting but knowing the hazards of program planning, I thought it best to determine the resources, if any, I have to work with. Do we pay expenses for speakers from outside the S.E.?

Is there a system for budgeting for the activities of the Chapter? I remember a comment which you made last summer regarding the extravagance of one organizer who shall remain nameless. If there are guidelines I would like to know what they are. If we have none, maybe we should set some up.

So before I begin wildly setting up conference calls to the West Coast, or better yet flying out for lunch, you had better place some restraints on my planning.

Sincerely,

Caroline
