Dear Mike:

Enclosed is the disk with the Southeastern membership list. There are three files on the disk: SEALLNAM, which contains the list of institutional, individual and life members, sorted by last name; SEALLASO, which contains the list of associate members (out of region or publishers) also sorted by name; and SEALLST which contains the individual and institutional members sorted by state, city and institution. I created this last one to make it a little easier if you're going to organize the directory like AALL. The names are all in the following format:

Hazel L. Johnson
Smith & Hulsey
500 Barnett Bank Building
Jacksonville, Fl 32202

If it would be helpful, I can probably format it differently. I don't think I can reproduce the AALL format exactly as the database is not set up to do that.

Hope this helps. Let me know if I can be of further assistance.

Sincerely,

Hazel L. Johnson
