Dear Margarette:

I have received and incorporated the mailing list changes you sent on April 12 and April 19. I am enclosing a change I received from Delores Bomarc, formerly with the University of Kentucky and listed as an institutional member. She has evidently moved to North Carolina. I'm not sure it's kosher to change the address for an institutional membership. On the other hand, I'm not sure it's worth quibbling over. Do you have any thoughts or precedents regarding this situation? I am also enclosing a copy of a letter I received from Chris Mattana of the Pinellas County Law Library. I have deleted the names of the former librarians and as an institutional membership have inserted her name. I refer to you for an answer regarding the length of the membership. I am also enclosing a copy of my letter to her.

For the next newsletter mailing (on or around June 1) I have deleted all the people who had not paid due for 1984-85 (except the ones you noted in your letter of April 19). We may have to add them back once people begin paying their dues, but that's okay. I have two questions regarding these deletions. Is Kathryn Hoover a life member? and why does Jim Tucker's name have a question mark in the margin?

I have been thinking a little about the format for our mailing list database and have made a list of the fields we need to include. Please review the list and add anything which you feel might be beneficial. I'd like to start working on this soon (if my workload permits). Take care. Let me know if I can be of assistance.

Sincerely,

Hazel L. Johnson
