Dear Margarette:

Enclosed is a copy of the new mailing list organized by institution. I've eliminated all the extra people from this list, so you should have a complete list of the actual SEALL membership. According to my count, there are 357 members. Does this agree with your numbers? As you can see, there are still a few typos. The ones marked have been corrected. Please let me know if you find any others or if there are additions or deletions to be made. I'll send you a corrected list after I get the newsletter mailed. How do you want it to be sorted?

I am also enclosing the format we are using to enter the data. It might be helpful to ask members to identify their type of institution affiliation (e.g. university, firm, court (includes county and state libraries, corporate, or life). This, of course, only applies to individual or institutional members.

The newsletter should be in the mail by Friday, June 14. Let me know if you need anything from me.

Sincerely,
