Dear Joe:

Enclosed is a disk containing the mailing list for SEALL in a file entitled SEALL.PRN. It has been alphabetized by the last name of the person. I'm also enclosing a sample of the database form I used, with some notations on the reasoning behind its format. The type of membership (associate, institutional or individual) is particularly important because associate members are not accorded voting rights under the By-Laws.

I spoke with Tim Coggins today and I understand you are aware of the need to include certain AALL officers. Five of those people are already included. A list of them is enclosed.

If I can provide any further assistance, please let me know.

Sincerely,

Hazel L. Johnson

when memberships are renewed institutionally,

a lot of firms have 2 line street addresses

to determine voting & non-voting members

included for statistical purposes only

it always helped to be able to look at all the members from that institution.

They typically don't tell you when someone new is replacing someone old.
