Cathy,

Such a meeting would be very beneficial. Let me know what I need to do to assist you with this undertaking.

I have just responded to Hazel's email response to me about the handbook. I think that I will change the term for the Nominating Committee membership to reflect what we have been doing—one year service. I asked Hazel to change the handbook notation from two years to one year. I also want the opportunity to add additional members to the Articles and By-Laws Committee, so I asked Hazel to add a note that the President may designate additional members.

One problem that most SEAALL members seem to be having is that they do not know that their appointments are for two years. I have people in the middle of a two year committee appointment who have requested another committee assignment.
