Dear Yolanda,

On behalf of the members of the Southeastern and Southwestern chapters of the American Association of Law Libraries, I thank you for contributing to the success of our 2001 joint Annual Meeting in Atlanta.

As a volunteer organization, SEAALL could not function without help from many individuals. Many people do their work so efficiently that conference attendees do not realize how long and hard the volunteers have labored to ensure that everything runs smoothly. Your help with the computers and LCD equipment was one of those efforts. If things had not worked well, everyone would have complained. Because there were no glitches, or you solved them efficiently, you might feel that no one paid attention to your work. I know that it was a difficult job and you succeeded in every way to help the presentations run smoothly.

I greatly appreciate all your efforts to ensure that the conference went well. You did a wonderful job!

Many, many thanks for your hard work.

Sincerely,

Catherine Lemann
