Dear Corinne:

Thank you for your letter of February 15th and for clarifying the situation in regard to the dues. I think you are right that the use of the 1956-57 fiscal year date is confusing. In fact, that is what threw me off the track in that both the dues collected in August 1956 and those collected in January 1957 were designated 1956-57 dues which made it appear at first glance as a collection for the same period of time. After checking into it I can see that the 1955-56 dues collected in January 1956 were to cover our first year of 1955. The next collection in August 1956 covers the year 1956 and the current collection covers the year 1957.

I have sent all the necessary material to Minnette for her use in checking on the account but I am still working on the files and will forward them to her shortly. I can think of nothing she would need immediately in this material.

There is one item which I think I should mention and I think should be passed on to the host libraries in Atlanta. I have just received dues of the librarian, J. Wilson Cutliff, from our South Carolina State College (colored). Though I do not know whether he will attend the meeting, it being nearby he may possibly be there.

I am sending all dues collected on to Minnette. If there is anything further I can do please let me know.

Sincerely yours,

Sarah Leverette
