Miss Minnette Massey, Secretary-Treasurer
Southeastern Chapter, A.A.L.L.
University of Miami School of Law
Coral Gables, Florida

Dear Minnette:

I am enclosing a copy of the Chapter's procedure in obtaining a refund of dues from National which I prepared a few years ago. I thought I had best send this on to you so that it could be handled before the deadline. You will note that May 31st is the deadline but that National requests that this application for refund be made on or about May 1st so that they can make it before the end of the fiscal year. I am forwarding Chapter dues to you as soon as they come in. I received a letter from Corinne today in which she mentioned the Chapter Annual Report. This report should go in sometime soon. Heretofore I have prepared it and sent it on to the President for signature and transmittal to National. Of course, you and Corinne can decide which of you will prepare it. I merely mention this as the practice we followed in the past.

Please let me know if there is anything further I can do other than get the files to you.

Sincerely yours,

Sarah Leverette

FINANCIAL REPORT OF THE
CAROLINAS CHAPTER A.A.L.L.

At the request of Miss Ruth Corry, President, Carolinas Chapter, A.A.L.L., the following survey of the financial methodology of the Chapter has been composed from material gleaned from the records of the Chapter.

The Carolinas Chapter being an affiliate of the American Association of Law Libraries derives its financial support from a refunding of a portion of the dues, institutional or individual, paid by its members to the American Association of Law Libraries. According to the records this refund amounts to a remitting to the Chapter of $1.00 per member for all institutional and individual members of A.A.L.L. who are members of the Carolinas Chapter, the refund being made as to dues and membership during the fiscal year for which the request for refund is made. There is some evidence in the records of the Chapter that previously a different rate of refund was given according to the type of membership, institutional or individual, but the refunds for the past few years have amounted to $1.00 per member. Inquiry is being made of the National Treasurer concerning this point and the information will be incorporated into the records upon receipt.

It is the duty of the Secretary-Treasurer of the Carolinas Chapter to make a request for refund each year before May 31 of that fiscal year (fiscal year for A.A.L.L. is from June 1 to May 31) for the refund due on the memberships for that fiscal year. If this request is not made the Chapter will lose its refund for that year. Attached to this report is the ruling of the Executive Committee of the A.A.L.L. in reference to refunds which ruling is self-explanatory. In order to assist the Secretary-Treasurer in confirming memberships in A.A.L.L. as well as in determining the type of membership, it is suggested that reference be made to Directory of Members in A.A.L.L. or List of Law Libraries in U.S. and Canada covering the year for which refund is requested.

The general policy of the Chapter as indicated by the records shows that finances are used for general expenses (postage, stationery, etc.) flowers for illness or death of members, entertainment of guests and other purposes seeming to the members to be in furtherance of the Chapter aims. Let it be noted here that the writer was unable to find in the records any indication as to limitation, purpose or otherwise in regard to expenditure of financial resources so that the above conclusion is based on past action.
CHAPTER REFUNDS

The following rule regarding refunds of dues to chapters was promulgated by the Executive Committee on December 28, 1947. Please keep this information in your Treasurer's file for reference. The National Treasurer requests that the indicated information be submitted on or about May 1st of each year, so that refunds may be made before the end of the fiscal year.

Refunds shall be paid only on full supporting data, i.e., by a list of names, membership types, and years of membership furnished by the Chapter Treasurer to the National Treasurer, and the verification of such data by the National Treasurer.

Chapter refunds shall not be paid without such supporting data and subject to its verification, and Chapters must submit bills for refunds, with supporting data, during the fiscal year for which they were claimed or forfeit the right to such refunds. The burden shall be on the local Chapter to submit its bill for collection of refunds or suffer the penalty of non-payment in any year for which a bill was not submitted.
