Dear Sarah:

This will acknowledge your letter of October 28. To suggest a time and a place for an organizational meeting of the Southeastern Chapter is indeed a difficult assignment. I spent my lunch hour reflecting on this and cannot come up with any suggestion.

I realize the importance of taking some organizational action and the best I can offer is to suggest that copies of the constitution go out to the mailing list which you and Mary have established. It seems that this certainly should be in the hands of all of the membership for consideration at an early date. If, when asking for a vote on this, too many problems arise, it would then point out the fact that we would have to have organizational consideration other than by correspondence. By that time it will be spring and I should think that it would be quite difficult to arrange a meeting much before that time.

If there is anything further that I can do to help you on this, please do not hesitate to call upon me. Please give my best regards to Dean Prince.

Very sincerely yours,

  
Frances Farmer
