Dear Pearl:

I can't tell you how much I enjoyed being with you in Charleston last week. Your participation in the panel, your many favors and just your presence added greatly to the entire meeting.

The check I filled in for Miss LeCain's expenses was for $58.08, so you can now update your checkbook. However, we have encountered another problem. When we returned and Bob Foster began his recapitulation he found that his SE AALS budget had been overspent by about $350.00. As far as we, the law librarians, are concerned, we checked out in balance except for two additional banquet tickets, a complimentary for Bill Murphy and Miss LeCains which was not included in her expenses. This we definitely owe to the law teachers. However, Bob is quite concerned about their deficit and finds that the SE AALL will have to subsidize so much per ticket to handle it. He asked me if we would be willing to kick in an amount per ticket, per occasion (except our own dinner, of course) to help absorb the deficit. The beach party cost more than the $3.00 per person charged and there were a few over all conference expenses which threw them in the hole.

I am enclosing a copy of the tally sheet to reflect the per librarian charge Bob figured out. He was somewhat reluctant to ask this and inquired if this had been done previously. That is, if it were the practice to ask us to kick in in such cases. I told him I did not know. So I am sending this to you with a copy to Mary Green and if we have yours and her O.K., request that you issue a check to SE AALS for the $43.80 shown on the tally sheet. This, of course, includes about $10.00 we owe for the Murphy & LeCain tickets so our kick-in is really $33.80. I don't know what else to do since we want to do our part and keep our "good image" with the "kings". Yet it may be that both of you feel this is asking too much. Let me know your decision. Pearl and Mary and many, many thanks. I'm just sorry it had to come up.

Best wishes,

Sarah Leverette
