Dear Pearl:

Many, many thanks for your letter of January 23 and for your taking on the Newsletter. Enclosed are copies of letters written to Mary and Gerry and I should think with a little membership news (list and data if you have) and (if received in time) Executive Board action on our resolution (or do you think this should go in?), we will have a "tidy" little Newsletter.

The New Orleans meeting is set very tentatively for August 21-22. Charlie Randall said that this is by no means firm so if we put it in, we should probably emphasize this and alert people to be on look out for the firm date.

I'm "up to my neck" again. Am on the Governor's Constitutional Study Committee and am committed to write the Introduction to the Revised Constitution by February 10. Also, we are awaiting redrawn plans on library administrative and work area for the new building and I'm trying to get ready for a one-day visit from the National President of the League of Women Voters. I'd still rather have all this, though, than have a Mexican (or any other kind) dinner for 10 people. With your culinary talents I know it is no problem, but, for me, it would be catastrophe. Know it turned out beautifully.

Thanks again for your help. I'm always grateful to you.

Sincerely,

Sarah

Dear Mary:

Pearl Von Allman and I are trying to get out a one-page Newsletter for the Southeastern Chapter, AALL, which will be sent out with the mailing of notice and application on the Lucile Elliott Scholarship. We had originally planned the Scholarship mailing for February 1 but thought we could set the deadline for February 15 to allow for preparation of the Newsletter and have only the one mailing.

Would you "be so kind" as to write for the Newsletter a summary "squib" on AALS action at the New Orleans meeting re law libraries. I know this was sent to all schools but perhaps some were waylaid in Dean's offices and others overlooked. If you can, please send directly to Pearl with Newsletter deadline of February 15 in mind.

How was the luxury cruise? I'm still - even more so - embroiled in building plans.

Many thanks for your help.

Sincerely,

P.S. If you have any other material for the Newsletter, throw it in too.
