Dear Pearl:

Forgive me for the delay in answering your letter of February 12. The Newsletter was wonderful and it certainly is good to have preliminary information on the meetings, etc. out in time and with such a good boost as you gave them.

I am enclosing a copy of my letter to Lamar, Kate and Caroline, which are self-explanatory. You will note that I suggested that our program be planned vis-a-vis the Law Teachers program and subject to a good program topic for us. I had a reply from Leah Chanin with a suggestion for further discussion of the AALS Booklist project and "some type of discussion or round table on library practices in reproducing copyrighted materials".

I'm sorry I got the news to you concerning Joan Faunt's death in such a summary fashion. It was such a shock to us. She and her husband had been hunting and on arriving home had placed a shotgun across the bed. When she went in to retire, she discharged it accidentally on removing it from the bed. I wanted you to have the memorial resolution as it was such a good resume of her contributions to South Carolina and her excellent background. I have written to her mother personally and, of course, attended the funeral. It is a great loss to us — she was a brilliant and talented person.

I would certainly like to see Paul stay at U. of K. I feel that he is so well-qualified and would carry on for Dorothy.

Thanks again for your good help.

Sincerely,

Sarah
