Dear Pearl:

As usual, you have and are handling things beautifully for old S. E. I think your procedures are fine and deeply appreciate your handling these matters.

I'm feeling better but at present have until July 1st to submit my law library plans for the new building. We finally received a capital bond issue, along with other schools - priority unknown. That's why this hurried letter. Have got to get committee together and get with it.

Many thanks for all your good help.

Fondly,

Sarah Leverette
